ORDER

IT IS THEREFORE ORDERED that the application by Arizona-American Water Company for the implementation of a Sun City Water District Low Income Program for condominium residents and other multi-housing customers, as modified herein, is hereby approved.

IT IS FURTHER ORDERED that the refund credit amount shall be \$4.38 per month, and the high block funding amount shall be \$0.0251 per 1,000 gallons, to be consistent with Decision No. 72047.

IT IS FURTHER ORDERED that the low income tariff shall not include an age eligibility requirement.

IT IS FURTHER ORDERED that the Sun City Low Income Program for condominiums and other multi-housing dwellers include the following requirements and language:

- The applicant must attach a sworn affidavit to the application stating that he/she meets the annual income threshold.
- The applicant may not be claimed as a dependent on another person's tax return.
- The applicant must reapply each time he/she moves residences.
- Refusal or failure of a customer to provide documentation of eligibility acceptable to the Company, upon request by the Company or its agent, shall result in removal from this rate schedule.
- Rebilling of customers under the applicable rate schedule may occur for periods of ineligibility previously billed under the low income tariff.
- For the purposes of the program, "annual income" means the value of all money and non-cash benefits, available for living expenses, from all sources, both taxable and non-taxable, before deductions, for all people who live with the applicant in the condominium or multi-unit dwelling.

IT IS FURTHER ORDERED that Arizona-American Water Company file with Docket Control, by March each year, beginning with March 2012, an annual report detailing the number of participants for the previous calendar year, the discounts given to participants, direct and indirect costs associated with the program, collections made from the high block rate used to fund the program, and provide updated gross annual income guidelines as necessary from the federal

1 government. The report shall include the balance of the low income program (i.e., funding amount  
2 from high block usage less checks sent to customers and direct and indirect costs associated with  
3 the program) and shall include all supporting documentation.

4 IT IS FURTHER ORDERED that the true-up between the program costs and the funding  
5 collected, as well as the reset of the high block rate, be completed as part of the Company's next  
6 permanent rate case for the Sun City Water district
