Re: Bellemont Water Company

Dear Bob Stump,

This letter is in regard to Bellemont Water Company. I have been providing professional services to the above company for approximately twelve years. As you are aware, (docket W-02526A-10-0499) the management of Bellemont Water Company has been involved in transactions that are not allowed by the rules for public utilities as administered by the Arizona Corporation Commission and has defrauded the other shareholders of Bellemont Water Company. As a result of these actions, Bellemont Water Company has not been able to pay for the professional services that I have provided.

In decision 70482, the commission restricted all monies from the standpipe sales to be put in a restricted separate interest bearing account which Bellemont Water Company has a compliance order to account for every 6 months to the Commission. Since the Commission has regulatory control of this account, I am requesting the Commission consider making an order that I be paid from this account.

Sincerely,

Rodney C. Wilson, CPA CSEP
