re: Global Water Requested Increases SW-20445A-12-0310 W-20446A-12-0314  
Dear Commissioners:

I reside in the Province Community in the city of Maricopa, and am writing to oppose any increases in the cost of water and sewer in our area. The absurd amounts of the increases requested by Global Water were most likely meant to do you a favor, so that if you were to grant some lesser, but still unwarranted, increase, it could still be made to look as if you had stood up for the people.

In the long run, of course, it will be necessary for the Maricopa citizens to get municipal control of their own water and sewer services, but in the meantime, it is requested that you come to the aid of the people and deny any increase at this time.
