The Arizona Corporation Commission, in Decision No. 73636, required APS to:

The second conference in this series of technical conferences will be held at the APS Learning Center, located on the 3rd floor of the Arizona Center, on March 7, 2013 beginning at 8:30 am. This conference will consist of a workshop entitled Understanding Rates and Distributed Energy as discussed in the initial conference.

If you plan to participate in this workshop, please register at www.solarfuturearizona.com. As before, please indicate if you are planning to participate in person so the Company can ensure your name is added to the security access list.

APS again encourages all participants to attend in person; however, if you cannot attend in person, a call-in number will be made available to those who register. A map to the Arizona Center and the APS Learning Center will also be provided to those who register. APS looks forward to meeting with you again on March 7th.

Sincerely,
