PATRICK J. QUINN
SUMMARY OF TESTIMONY
TUCSON ELECTRIC POWER
DOCKET NO. E-01933A-12-0291

Patrick J. Quinn is the Director of the Arizona Residential Utility Consumer Office who presented testimony in support of the Proposed Settlement Agreement. Mr. Quinn recommends that the Arizona Corporation Commission adopt the Proposed Settlement Agreement for the following reasons:

The Proposed Settlement Agreement reflects an outcome that is fair to both the consumer and Tucson Electric Power Company and is in the public interest.

The Proposed Settlement Agreement is a comprehensive settlement agreement. Its terms settle a wide range of issues that were of significant interest to several of the intervenors.

RUCO supports the Proposed Settlement Agreement in its entirety because it contains numerous benefits to the consumer which will be discussed in Mr. Quinn's testimony.

The Proposed Settlement Agreement resolves four areas of importance to RUCO in the underlying rate case which included the amount of the rate increase for basic consumers, the net operating loss issue, the depreciation reserve issue and capital expenditures for distribution plant. All of these issues were addressed satisfactorily in the Proposed Settlement Agreement.
