The last time Global Water requested a rate increase from the commission my water bill went up over 800% from \$100 to \$850 in 1 months time. It is now 400% since the increase. I did not think that is what the commission agreed to. Global Water mislead you like they did their customers. At a Willow Valley meeting with Global Water, there were hundreds of residents with bills like mine. We were decieved before by Global Water , shame on them. If they do it again, Shame on YOU !!
