Maricopa Growth is affected by increased water rates. They will affect city growth and property valaues. I strongly protest these water rate hikes, hikes, hikes.

I do not agree with any rate increases now or in the immediate future. We pay approximately \$96.00 every month yearly and we are only here 6 months at a time. In Illinois we are not charged for water not used for 6 months. And we should not be charged for a utility not being consumed here.
