Increased rates (huge percentage increase) will affect our HOA fees which will turn discourage additional building in our province development.

Maricopa in general will be adversely affected by the higher rates. Homeowners are just starting to become "economically stable". We don't need an excess burden placed on us at this time.

Rate increases are expected but let's be reasonable. The public is angry! Rate increases of 25% is "putting it to your customers" big time!
