RE: Arizona Public Service Company's 2013 RES Implementation Plan & Green Power Rates, Docket Nos. E-01345A-12-0290, E-01345A-10-0394, E-04204A-12-0297, and E-01933A-12-0296

On February 27, 2013, Arizona Public Service Company ("APS") filed its GPS-1, GPS-2, and GPS-3 tariff sheets in compliance with Decision No. 73697. In that filing there was a typographical error in the green power premium on GPS-2. Therefore, APS is filing a replacement copy of GPS-2 correcting that error.

If you have any questions regarding this information, please contact me at (602)250-2661.

Sincerely,

Jeffrey W. Johnson

DOCKETED BY 

ADJUSTMENT SCHEDULE GPS-2 GREEN POWER PERCENT SCHEDULE

APPLICATION

Adjustment Schedule GPS-2 ("GPS-2") shall be applied to Standard Offer customers who wish to purchase electricity generated from renewable sources for their homes and/or businesses. All provisions of the customer's current applicable rate schedule will apply in addition to this surcharge.

Electricity from renewable sources shall be referred to herein as "Green Power". Green Power may be:

1. Company-owned generation using eligible renewable resources as defined by the Renewable Energy Standard rules (A.A.C. R14-2-1802 and successors).
2. Generation not owned by the Company, but owned by another party for which the Company has contracted using eligible renewable resources as defined by the Renewable Energy Standard rules (A.A.C. R14-2-1802 and successors).

TYPE OF SERVICE

The Company will offer Green Power through the Company's electric distribution system.

Effective October 1, 2009 the Company, at its discretion, may limit the kWh sold to any one customer to no more than five percent of total Green Power procured for service under schedules GPS-1, GPS-2, and GPS-3. The Company shall limit the participation in GPS-2 based on the Green Power available to provide service under this rate schedule.

Customers are required to subscribe for a minimum of one year, but can commit to subscribe for a longer period at their discretion. Charges under this schedule will be adjusted annually with Commission approval. Customers may cancel GPS-2 service if the charges increase during the one year or longer commitment period.

GPS-2 may not be used in conjunction with rate schedule GPS-1.

SERVICE CHARGES

Four options are available. The charges hereunder represent charges to be added to energy charges (\$/kWh basis) under the customer's applicable rate schedule and applied to the customer's total monthly kWh (including non-Green Power kWh, if any) supplied by the Company. The charges are based on the Green Power Premium rate of \$0.0102 per kWh of Green Power.

- A. Green Power shall account for 100.0% of the total monthly kWh supplied by the Company.
Additional Charge per kWh: \$0.0102
- B. Green Power shall account for 50.0% of the total monthly kWh supplied by the Company.
Additional Charge per kWh: \$0.0051
- C. Green Power shall account for 35.0% of the total monthly kWh supplied by the Company.
Additional Charge per kWh: \$0.0036
- D. Green Power shall account for 10.0% of the total monthly kWh supplied by the Company. This option is not available to residential customers.
Additional Charge per kWh: \$0.001
