**Subject:** Support for Immediate Implementation of Energy Efficiency Programs in TEP's Energy Efficiency Plan per ROO, E-01933A-11-0055

Mar 12, 2013

Commissioner Bob Stump  
 1200 W. Washington St.  
 Phoenix, AZ 85007

Dear Commissioner Stump,

On August 21, 2012, Administrative Law Judge Jane Rodda issued a Recommended Opinion and Order, effective immediately, that the vast majority of TEP energy efficiency programs be resumed. Unfortunately, it appears that action on this order has been delayed again due to political issues. I am asking you to schedule consideration of this important plan immediately and move forward so that these critical energy efficiency programs will be delayed no further.

In 2011 TEP invested \$11 million in energy efficiency programs. For 2012, it will likely only be \$5 million. That means loss of programs and jobs associated with those programs. Tucsonans can't afford to wait another two months or longer for these programs.

. Please move forward immediately according to the judge's order.

Thank you for considering my comments.

Sincerely,

Ms. Carol Salvati
