To whom it may concern:

We have 2 properties in Maricopa, AZ purchased last year.

1. - fully furnished - so far is only occupied maybe 1 month total for the year - we just put it up for sale 3 weeks ago.

2. 2nd property is at - This is rented out - but it will be vacant in the near future.

The sewer and water charges are terribly high already - We have 1 house in Sun City & the most our water bill is about \$45.

We plan on selling our Maricopa properties and keeping the one in Sun City - one reason is the high water bill !

Please do not increase it !

Mrs. Herb Jensen

We are senior citizens on a fixed income. By raising the water rates, it will be a double edge sword, because our HOA fees will also increase. Rate increases will start causing people to move out of Maricopa.
