Re: Notice of Filing – Tucson Electric Power Company’s Semi-Annual DSM Report
Docket Nos. E-01933A-07-0402 and E-01933A-05-0650, Decision No. 70628

Pursuant to Arizona Corporation Commission (“ACC”) Decision No. 70628 (December 1, 2008) and Section 9.6 of the Tucson Electric Power Company Proposed Rate Settlement Agreement, dated May 29, 2008, Tucson Electric Power Company (“TEP”) is required to submit semi-annual Demand-Side Management (“DSM”) program progress reports on March 1st and September 1st of each year in accordance with Commission Staff’s recommendations. On January 31, 2011, TEP filed its Energy Efficiency Implementation Plan wherein TEP requested that this reporting requirement be superseded by the reporting requirement in Arizona Administrative Code (“A.A.C.”) R14-2-2409. The Commission has yet to approve TEP’s Implementation Plan; however, in compliance with A.A.C Section R14-2-2409.B, TEP submitted the annual DSM Progress Report for 2012 in Docket No. E-00000C-13-0031. Please see the report filed on March 15, 2013 in that docket for the required information.

If you have any questions, please contact me at (520) 884-3680.

Sincerely,

Jessica Bryne
