ARIZONA CORPORATION COMMISSION  
SECRET CONTROL

I am a Maricopa County property owner who has a Solar Power system installed on my house. I considered the installation of the solar power system the right thing to do as a responsible citizen of Arizona and Maricopa County. Now I am being charged a Lost Fixed Cost Recovery Cost for doing so. I consider the commission allowing this charge as highway robbery and will do everything I can to get the current commission board members not be elected the next election cycle.
