Re: Request to hold a Public Comment Meeting in Maricopa

Dear Chairman Stump:

The Mayor and Council of the City of Maricopa respectfully request a Public Comment Meeting on the current Global Water rate case (Docket Number: W-01212A-12-0309 et al) be held by the Arizona Corporation Commission in the City of Maricopa. It is our desire that Maricopa residents have an opportunity to voice their concerns about this request for a substantial increase to their water and wastewater rates. Our residents are already struggling under the financial burden of the current rates charged by Global Water.

During the last Global Water rate case in 2009, the Commission held a Public Comment Meeting at a local Maricopa Middle School which was attended by over 800 residents. We are confident that even more Global customers will be present to share the impact this rate increase would have on their quality of life.

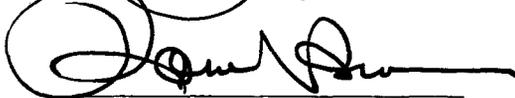

We hope that you will grant our request to come to Maricopa to hear from our residents directly and consider their input when making your ultimate decision.

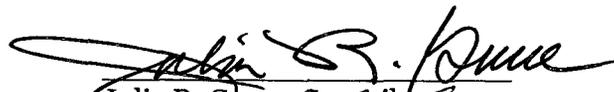

Please contact Paul Jepson, (602) 672-6024 or paul.jepson@maricopa-az.gov. Thank you.

Respectfully,

Christian Price, Mayor

Edward Farrell, Vice Mayor

Marvin L. Brown, Councilmember

Julia R. Gusse, Councilwoman
