*****OPINION OPPOSED TO INCREASE*****DOCKET NO. W-20446A-12-0314 & SW-20445A-12-0310***

Consumer has been a homeowner in Maricopa for the past 3 years. When he first bought the house the water rates were a little higher than in the city where he had lived before moving to this area. He states that he now pay \$100 a month and if an increase if approved he will not be able to afford to live in this area. He is currently paying twice what he was paying when he lived in Phoenix. He states that his HOA dues will also increase if this rate if approved for Global Water. He says NO to the increase.
