Docket# E-01345A-10-0394
Arizona Code# R14-2-1801

The request of Tucson Electric to suddenly alter the rules of Arizona Code # R14-2-1801 should be denied by all of you on the Arizona Corporation Commission. There was a reason the code was written the way it was in the first place. To allow Tucson Electric to exclude acknowledging a large portion of its sales from complying with the law is the start of the process of bypassing that law completely.

Will Tucson Electric allow us the residential customer's to exclude the largest part of our electric bills each month?

Vote NO on allowing Tucson Electric to bypass the Laws of Arizona.

Sincerely,
Mrs. Melinda Ochoa
