Global Water just thinks about getting more & more money from there customers. They don't care about us, the people that pay there weekly check!! We only use our house a couple times a year and yet have to pay \$62.91 for wastewater a month that we don't use!! I asked Global if they had a plan for people who live out of state and only use there system a couple times a year? Oh no, you have to pay full price!! Global Water Company are crooks!! I hope Maricopa runs them out of town!! And yes I am against any increase from Global Water Thiefs!!!
