2. Do you have any objection to the filing? Please explain.
3. Do you have an alternative source of water (a well) in your property? If so, would you know how much it would cost to extend service to your horse trough?
4. Is there any particular reason you need the service that St. David Springs is providing? Please explain.
5. Please provide your contact information, so that Staff may contact you should the need arise.

If you have any questions concerning this matter, please do not hesitate to contact me at 602-542-0840 or Del Smith at 602-542-7277.

Very truly yours,
