OPPOSE

To All the members of the Arizona Corp. Commissions:

I object to any price increase for APS utility. Enclosed are 2 pcs. Of new of all the money they profited. I have to rely on only my soc. Security. We do not get enough to enjoy a PROFIT, but have to dip into our savings (less than \$10,000) every month to make ends meet, so we have to cut out something more each month. I worked until I was 75 years old, working retail all my life. Never making or grossing more than 25.000/yr. It was almost impossible to save money, buying a house, vehicle payments etc. We have to tighten our belt, so to speak, so these companies also have to do so. They tell you to conserve, & then sercharge us because they don't make enough money. I'm sure that there are many retired people out there in the same boat we are. Please consider this. Thank you. Ronald Schulz
