Dear Mr. Grieshop,

Your letter regarding the Sulphur Springs Valley Electric Cooperative's Demand Side Management ("DMS") plan was received by my office and filed in the official docket of the proceedings in this matter, where it will be available for review by the public, Commission Staff, and the Commissioners. Your concerns regarding the inclusion of on demand pumps will assist the Commission in its complete review of the DSM plan.

I look forward to reviewing all the parties submissions in this matter. This information will be helpful to me in my future full consideration of this case.

Sincerely,

Susan Bitter Smith  
Commissioner
