Re: Avra Water Co-op, Inc., Docket No. W-02126A-06-0234, Decision No. 69681

In compliance with Docket Number W-02126A-06-0234 and Decision Number 69681, I am submitting the 2011 Off-Site Hook-up Fee Status Report along with 13 copies.

The 2011 Off-Site Hook-up Fee Status Report was sent to Steven Olea's attention on January 18, 2012. On April 12, 2013, I was contacted by Carmel Hood at the ACC regarding the 2012 Off-Site Hook-up Fee Status Report not being received by your office. At that time, I let her know that I had sent it to Steven Olea's attention in the Utilities Division on January 16, 2013 as per our tariff and was not aware I had to send it through Docket Control. I forwarded copies and mailing confirmation to Ms. Hood on April 12, 2013 via email. Ms. Hood instructed me on the correct procedure and asked that I send the 2012 Report to Docket Control with 13 copies, which I did on April 18, 2013. I went into E-Docket on the ACC website on May 6th to confirm that information was received and at that time realized the 2011 Off-Site Hook-up Fee Status Report was not sent to Docket Control with 13 copies. I had started working at Avra Water Co-op, Inc. in 2011 and had been responsible for sending that report as well. Again, I sent it directly to Mr. Olea's attention on January 18, 2012, not Docket Control. I have attached the 2011 report as well as the original mailing information with 13 copies for your review.

I hope that this will clarify my mistake. In the future, I can assure you that all reports will be sent directly to Docket Control.

Respectfully,

Cathy Kuefler
