RE: St. David Springs, L.L.C. – Application for Cancellation of Certificate of Convenience and Necessity (CC&N) Docket No. W-20460A-13-0004  
SUFFICIENCY LETTER

Dear Ms. Dessy:

On May 3, 2013, Staff filed a letter which indicated the Company had met the sufficiency requirement. The letter inadvertently contained the word “Insufficiency” in the caption and cited the incorrect regulation. This letter corrects those errors.

In reference to the above mentioned application filed on January 4, 2013, and the supporting documents filed on March 11, 2013, and April 3, 2013, this letter is to inform you that the application has met the sufficiency requirements as outlined in the Arizona Administrative Code (“A.A.C.”).

Pursuant to the A.A.C. (R14-2-411(C) for water), the Commission has 150 calendar days for its substantive review. This includes conducting a hearing and preparing a proposed Opinion and Order to present to the Commission at an Open Meeting.

If you have any questions concerning this matter, please do not hesitate to contact me at 602-542-0840 or Del Smith at 602-542-7277.

Very truly yours,

  
Blessing N. Chukwu
