CUSTOMER WATER CONSUMPTION INFORMATION SHARING
WITH LAKE HAVASU CITY, WASTEWATER PROVIDER

EPCOR Water Arizona, Inc. ("EWAZ" or "Company") is authorized to share water consumption information of individual customers with Lake Havasu City ("the City"), a municipal provider of wastewater service for common customers purchasing water from EWAZ and wastewater from the City. The purpose of this Tariff, and the authorized provision of customer water consumption information, is to assist the City in billing for wastewater utility services. City agrees that it is only authorized to use such water consumption information for purposes of wastewater services billing and is not authorized to disclose such information to any other party except as may be required by law.

EWAZ entered into an Agreement with the City for providing individual water consumption data, in a form materially similar to the standard form agreement. The Agreement was subject to Arizona Corporation Commission ("Commission") review as set forth in Section 4 of the agreement.

EWAZ shall notify all water utility customers affected by an agreement between the Company and the City pursuant to this Tariff, by means of a billing insert during the first billing cycle immediately after said tariff is approved.
