ARIZONA CORP COMMISSION
DOCKET CONTROL

Dear Ms. Shiloh,

Thank you for expressing your concerns about Arizona Water Company's rate case that is pending before the Arizona Corporation Commission. You can track the case's activity and progress by visiting the Commissions' e-Docket website, <http://edocket.azcc.gov/edocket/>.

The Commissioners have not yet made a decision regarding the rate increase. The case has been heard before an administrative law judge and that judge will issue a recommend order and opinion ("ROO"). Once the ROO is issued; the matter will be set for open meeting. The Commissioners will not make their final decisions regarding the case until that Open meeting which is the designated time for the parties to discuss the ROO. Open meeting is also the time when the Commissioners can ask the parties questions about the case.

Commissioner Bitter Smith values public input and comments concerning matters that come before the Commission for a decision. However, her final decision will not be made until the open meeting.

Thank you for being part of this important process. Please do not hesitate to contact me if you need additional information.

Sincerely,

Teresa Tenbrink
Executive Aide to Commissioner Susan Bitter Smith
