Docket No. WS-02987A-08-0180

Gentlemen:

This correspondence is in regards to Docket Number, WS-02987A-08-0180. Johnson Utilities, San Tan Valley, Arizona is seeking a rate increase for an allowance for income taxes generated as a result of it operations. As property owners in San Tan Valley we object strongly to any increase due to the poor-to-fair service to customers, Johnson Utilities' failure to inform customers of contamination dangers in the water (until after the fact), and the profit they are making from their present operations. Additionally, can someone explain to us why we have to pay sewage charges in the summer months when we are only winter visitors?

Thank you in advance for your considerations for voting no to a rate increase for Johnson Utilities.

Sincerely,

Maridale and Greg Vair
