OPPOSED W-02199A-11-0329, SW-02199A-11-0330 WATER/SEWER

Subject: proposed rate and income tax increases for Pima Utility Company -sewer and water

Thank you for providing the opportunity to comment on this proposed action. Please limit the increases for domestic sewer and water provided by Pima. You have already granted Pima a rate increase as I understand it. Now you are considering also allowing them to have consumers pay for their shareholders income tax. As a retired civil servant, I have seen much less of a pension increase over the past 3 years than what is proposed for Pima. In addition, I pay my own income taxes. It would be most desirable to have someone else pay my income taxes. I feel that the shareholders who actually own Pima should pay their own income tax, not me a consumer. The shareholders reap the direct benefits of the profit of the utility company. Please minimize the amount of income tax you pass on to the consumer of the utility company. My address is  
, AZ 85248 Sincerely, Bill and Sharon Queen
