RE: General Docket No.: E-00000W-13-0135 / In the Matter of the Commission's Inquiry into Retail Electric Competition

Dear Sir/Madam:

Please add me to the service list for all documents pertaining to the above-captioned ACC docket.

My firm has a dedicated competitive retail energy markets practice, in which I am a principal consultant. Since 2003, I have been tracking Arizona's retail electric market design and rules that affect Arizona's power markets. Being added to this docket will assist me in being able to see relevant filings and decisions in a more timely manner than tracking externally via eDocket.

My full contact information (and email address for filing distribution) appear below for service list inclusion. As advised, I am enclosing 14 original copies of this request.

Thank you in advance for your assistance. Please do not hesitate to contact me should you have any questions.

Sincerely,

Kristie Deiuliis
