RE: Docket Number E-01933A-12-0291

Dear Chair Stump and the Arizona Corporation Commission,

As part of the TEP rate case, I'm writing you today to endorse the energy efficiency plan for TEP.

As someone who lives and owns a business in the TEP territory, I've made an investment in this community. The energy efficiency plan is a chance for TEP to invest in the community as well, by promoting technological innovation and decreasing the cost for businesses to keep the lights on.

I appreciate you considering my comments.

Regards,

David K. Plotkin
