Nature of Complaint: OPPOSED W-02199A-11-0329 - SW-02199A-11-0330 WATER/SEWER

Pima Utility Co. has already been given permission to raise our water/sewer rates in our subdivision & their request to make the utility customers pay for the shareholders individual income taxes on their shares is unconscionable.

It is probably useless for any of us customers to complain about this, because the members of the Commission traditionally vote on the side of the utility. Guess that is the new "American Way" as we see in the price gouging of most utilities and businesses.
