Nature of Complaint:

Docket No. E-01933A-12-0291

Customer is against any raise being requested by Tucson Electric Power Company ("TEP"). Customer is on a fixed income receiving only Social Security income and recently was given a 1.9% increase which was completely taken away when his Medicare monthly amount was increased. Customer just received a \$300 water bill and can't afford to continue to pay for TEP's shareholders to receive their dividends.

Please do not support TEP's rate increase.
