Dear Ms. Brenda Burns,

It comes to my attention after talking with a representative of the Arizona Public Service Company that they want to charge a \$30/month fee for opting out of the Smart Meter program to read our meter. Both me and my mom had decided to opt out of the program for the expressed reason that the health effects were enormous and the violations of privacy into our respective domiciles. It was to our dismay that the representative said that we would be assessed an additional \$30/month fee for reading and an additional \$75 transfer fee.

Under your statute A.C.C. R14-2-209.A1 that we are able to read our own meter and relay this information to an APS representative and give this information to their billing office for processing a bill. We will do that instead of paying the \$30/month fee nor that \$75 transfer fee.

We would like an acknowledgment by letter that we can give APS the meter data to their office each month on a designated date to bill us properly. We will not accept the Smart Meter at our residences.

My mom's address is:

Shirley Weyand
211 East Aero Drive
Payson, AZ 85541

My address is:

Richard Weyand
1214 West Second Street
Winslow, AZ 86047

Sincerely,

Richard Weyand
