Nature of Complaint:

OPPOSED W-01212A-12-0309, SW- 20445A-12-0310, W-03720A-12-0311, W-02450A-12-0312, W-02451A-12-0313, W-20446A-12-0314, W-01732A-12-0315 WATER - SEWER

This a comment supported by facts in the form of receipts and bank statements. The proposed rate increase proposed by Global Water docket number W-01212A-12-0309 is a perfect example of the corporate corruption running rampant in Our United States. I guess that should be running rampant world wide given the origin of the ownership of Global Water.

The following is a recap of what my family paid in water and sewer charges prior to and after moving to Maricopa Az. (to nearest dollar)
2004 - San Antonio TX - \$665.00
2005 & 2006 - (Un-settled) could not calculate
2007 - Delta CO - \$316.00
2008 - " - \$281.00
2009 - " - \$507.00 (Planted Lawn)
2010 - " - \$536.00
2011 - Maricopa AZ - \$1238.00 (Rental-desert landscape)
2012 - " - \$1610.00 (New Home - Lawn etc.)

The above recap shows a ridiculous increase in the cost of water and sewer for us. We are also retired now, (like many others in Maricopa) and any substantial increase over what we are now paying is not something our fixed income can't handle. The domino effect it will have on the HOA(s) is also not acceptable.

William B Moffatt
