OPPOSE

I am a senior citizen who is on a fixed income & who is finding more difficulty to keep up with water increases on top of all other taxes being imposed. I don't believe I should have to cut back on essentials (food, medical care etc.). Moving out of Maricopa may be my only option taxes & high water rates will certainly be a negative fail if I try to sell my home. My water bill is \$90 a month before I use any water.
