Dear Mr. McGann,

I am the executive assistant to Commissioner Susan Bitter Smith. I am responding to you at her direction. We received the letter that you sent, and take your concerns very seriously. The Commission has not received an application from APS regarding Net metering. Technical conferences have recently concluded. The Commission will be holding hearings on this issue later this year. Scheduling of these hearings will be later this summer.

Your letter will be submitted to Docket Control at the Arizona Corporation Commission to become a part of the official public comment record.

Thank you for being part of this important process.
