I have lived in Sedona and Sedona being an area of high cliff is signal RF is already at a max. The last thing needed is more signal RF From every Smart Meter. Also, what the long plan with all this Smart grid is?? Lastly until it is proven without a shadow of doubt that these devices are not harmful don't install them.

OPT.FEES are to high

It has not been proved to me that they are safe. I also believe there is a hidden agenda at play.

OPT OUT Costs are OUTRAGEOUS!!!

I believe the smart meters are posing a threat to my well being and harmful to my health. I am also concurred with my family. I want to opt out, but I feel the fees are too high & extremely unfair.
