(Docket No. # E-00000C-11-0328)

Mr. Martinez,

I am writing to state that my husband and I object to the requested imposition of opt-out fees for APS customers who do not want to convert to Smart Meters.

We have researched the potential adverse health affects of the Smart Meter and reports of fires generated by the Smart Meter. We are also concerned that the loss of 400 jobs will have a negative impact in our current economy.

Thank you for the opportunity to voice our concerns and request that these APS fees not be approved.

Sincerely,  
Christine Elving  
Ken Wallace
