Litchfield Park Service Company DBA Liberty Utilities is already getting paid for more that they provide to the snowbirds in the community. Approx. 50% of PebbleCreek's + 4,200 homes are part time residents. We pay 100% for waste water services year around yet their treatment costs have to be lower during the summer months because of less waste water to treat. Even the cable and phone companies are fair enough to put snowbirds on vacation mode. Thank You for your consideration on our position.
