To whom it may concern,

In April of 2011 my crew and I were installing a 4" water line from Montezuma Rimrock water company well number 4 to well number 1. My crew and I observed John Dougherty on numerous occasions harassing the owner of Montezuma Rimrock water company Patsy Olsen. He would say such things as " You don't have the right to be doing this.....I am going to turn you in to the ACC.....I will make sure ADEQ shuts you down.....You do not have a county permit to be here.....I won't stop until I see you under."
