My name is Rose Mary Barnes and I am the only sitting member of Montezuma Estates Property Owners Association (MEPOA). Because none of my neighbors who live in the MEPOA community want to be involved in maintaining MEPOA's board it is left to me alone to be President, VP, Secretary and Treasurer. It has been this way since June 2010. Every year I send out an email to residents asking for volunteers but no one ever offers. No membership dues have been collected since 2009 and at this time there is only approximately \$3,500 left in our accounts. Because I am the only participating member, it is impossible to have a voting quorum. Buying back MRWC is a ludicrous and impossible consideration for our community.
