B. General Terms and Conditions of Service

1. **Service Availability:** Service is available only if Subscriber is within select coverage area. Service may be interrupted due to system capacity limitations and system repairs or modifications. Service is subject to limitation or interruption caused by weather, terrain, obstructions such as trees or buildings and other conditions. Company is not responsible for time lost or days lost for interruption of service caused by the above mentioned factors. There will be no credits or refunds issued for any reason.
2. **Service Activation:** Subscriber must purchase a Company service plan in order to activate a Lifeline account.
3. **Use of Service/Rates:** Each text message sent or received by Subscribers, except for a text message initiated by Company, is equivalent to one minute of usage and reduces a Subscriber's plan minutes accordingly. Calls and text messages initiated by Company that are received by Subscribers do not reduce Subscriber plan minutes. Subscribers can use the service to place 911 emergency services calls regardless of whether any minutes remain on their account or activation status. Subscribers can use the service to contact Customer Service at 888.777.4007 or 611 and minutes used by the Subscriber for customer service calls will not be deducted from Subscriber's account. Subscribers can use the service to contact directory assistance (411 or #4007), and operator services (0); minutes used for such calls will be deducted from Subscriber's account. Subscribers cannot use the service to place operator assisted calls such as third party billed, and collect calls. Subscribers are unable to place calls directly to International numbers or numbers that begin with 500, 700, 855, 900 or 976. Subscribers are also unable to forward calls, or send/receive Multimedia Messages. If Subscriber is unable to successfully place a call out, attempt dialing with 1 + the area code + the 7-digit number. It is highly recommended that Subscriber power cycle the phone at least once per day to help re-register the phone within the Network.
4. **Service Continuation and Cancellation:**
Lifeline Subscribers who take service under any plan, except the 250 Minute Talk, and fail to pay for the next 30-day service cycle prior to the expiration of the current 30-day service cycle, will be converted to the 250 Minute Talk plan on the day following the end of the 30-day service cycle. However, Lifeline Subscribers will have the ability to revert back to their previous plan or select any other applicable plan at any time if they pay for such plan for another 30-day service cycle. Any minutes remaining under the 250 Minute Talk plan will not be carried over to the newly selected plan, whether or not the newly selected plan

is the same as the one in place prior to the conversion to the 250 Minute Talk plan. Subscribers to all plans except the 250 Minute Talk plan will continue to revert back to the 250 Minute Talk plan anytime they fail to timely pay for the next 30-day service cycle. As set forth below Section E.5.k., if no usage appears on a Lifeline Subscriber's account during any continuous 60-day period, Company will promptly notify the Subscriber that the Subscriber is no longer eligible for the Company's Lifeline service subject to a 30-day grace period.

5. **Deduction of Minutes:** Deduction of minutes for a completed call from a Subscriber's handset will begin when the SEND key is pressed and will end when either party ends the call, rounded to the nearest minute. Call detail records will only be provided where required by applicable law.
6. **Promotions:** Company may offer promotional rates and services from time to time.

C. Termination or Suspension of Service

1. **Disputes:** If Subscriber is on any plan, no credits or adjustments of any kind will be given for calls not connected or for dropped calls. For additional information please see "Service Availability".
2. **Suspending Service:** Company will not suspend service if Subscriber's phone is lost, stolen, misplaced, or broken. The expiration date on Subscriber's account cannot be changed or extended for any reason.
3. **Company's Right to Terminate Service:** Company has the right to monitor all usage on active accounts. Subscriber may not use services to make or transmit any unsolicited commercial voice calls, text messages, etc. Company reserves the right to restrict, suspend or terminate service to Subscriber's number, without notice and at the Company's sole discretion if the Company suspects fraudulent, illegal or abusive activity, if Subscriber fails to maintain an appropriate account balance for applicable charges, if Subscriber harasses Company employees and/or other Company Subscribers, or if Subscriber makes repeated and unjustified calls to Company's customer care.
4. **Cancellation Policy:** In order to cancel service, Subscriber must verify that Subscriber is the account holder and submit request in writing by mail or by faxing request to 318.908.9996. Alternatively, Subscribers may call the Customer Service at 888.777.4007 to cancel service. Subscriber will not be entitled to any type of credit for the unused portion of the account balance if Subscriber decides to cancel service prior to the end of a 30 day service period.

D. Other Service Requirements

1. **Account Balance:** Airtime cannot be moved from one phone number to another phone number whether the number is associated with service provided by the Company or by some other wireless service provider. All airtime (airtime associated with a particular plan, as well as additional purchased minutes, text messages or other services) expires at the end of each 30-day cycle whether Subscriber uses the airtime or not. Additional airtime purchased separately is available for a 30-day period from the date of purchase.
2. **Release of Information:** Company may release information about Subscriber's account when Company believes release is appropriate to comply with the law (i.e. Lifeline databases, subpoena, court order, E911 information etc.). There will be no call histories released to Subscribers for any reason.
3. **PUK Codes:** Please contact our US based Customer Service at 888.777.4007 if the phone asks for a PUK code.
4. **Phone Codes:** If the phone is asking for ANY codes Subscriber is not aware of, do not attempt guessing any codes because it may disable your phone.
5. **Account Information:** Subscribers are responsible for protecting the security of their accounts. Company recommends that Subscriber not provide their four digit account security code to any other person in order to prevent other persons from making unauthorized changes to the account. Any person that is able to verify Subscriber's mobile number, and/or account information is considered to have been authorized by Subscriber to make changes to the account.
6. **Porting Policy:** Company offers number portability to its Subscribers at no charge. Company does not guarantee that number transfers to or from Company will be successful. If Subscriber requests to port a number out to another company, that is considered a request by Subscriber to Company to terminate all of the services associated with that number. Subscriber's remaining airtime will be forfeited and Subscriber will not receive a credit for the remaining balance. Company will not release Subscriber's wireless number to another carrier without proper verification. If Subscriber is attempting to change service providers, Subscriber will need to verify the four-digit pin as well as the ESN number in order to transfer an account.

1. Company participates in the Lifeline low income assistance program to increase the availability of telecommunications services to all low-income consumers in its service areas.
2. Lifeline is a government assistance program supported by the Federal Universal Service Fund. Lifeline reduces all eligible Subscribers' monthly rates.
3. Lifeline Eligibility Criteria: Lifeline assistance is available to low income customers as follows:

 - i. Arizona Low-Income Telephone Assistance Program (ALITAP)
 - ii. Telephone Assistance Program for the Medically needy
 - iii. State Children's Health Insurance Plan (SCHIP) or KidsCare

 - ix. Low Income Home Energy Assistance Program (LIHEAP)
 - x. National School Lunch Program's Free Lunch Initiative
 - xi. Bureau of Indian Affairs General Assistance (GA)
 - xii. Food Distribution Program on Indian Reservations (FDPIR)
 - xiii. Tribally-Administered Temporary Assistance to Needy Families (TTANF)
 - b. Income-based eligibility. Additionally, a Subscriber with total gross annual household income that does not exceed 150 % of the federal poverty income guidelines may be eligible for Lifeline participation.
4. *Lifeline Territory*
 - a. Lifeline is available to all eligible residential Subscribers residing in the base rate areas of all of the CenturyLink Arizona exchanges as shown and defined in the Incumbent's current and effective tariff on file with the Commission.
5. *Additional Lifeline Terms and Conditions*

- b. The named Subscriber must be a current participant in at least one of the low-income assistance programs identified in E.3 above.
- c. Lifeline is a non-transferable benefit, and Subscriber may not transfer the benefit to any other person.
- d. Eligible Lifeline Subscribers will receive a standard handset, at no charge, capable of providing voice and texting services with a 30 day warranty. The handset may be a refurbished unit. The handset warranty is limited to manufacturer defects that interfere with making or receiving calls. Abuse or neglect on handsets voids the warranty. Budget will not credit or accept returns of handsets that have obvious abuse. Budget is not responsible for lost handsets. Customers may purchase a replacement handset if their handset is lost. An additional \$10.00 processing fee will be applied to the cost of the handset. Budget will deactivate all handsets reported as stolen. Budget does not provide an insurance option for handsets. Budget customers may receive one "free" handset at the time of activation. However, if a handset is defective and returned within the warranty period, the customer may receive another "free" handset. After customer's warranty period expires, additional handsets may be purchased and a \$10.00 processing fee will be assessed.
- e. Company will require each Subscriber to certify at time of service activation and at least annually thereafter that he or she is 18 years of age or older, receives Lifeline-supported service only from Company, receives benefits under one of the qualifying programs or has household income that meets the state's income eligibility criteria. Company's Lifeline certification form will clearly inform Subscribers that they are subject to the penalties for perjury. The Lifeline credit will not be established until the Company has received proof of eligibility. If the Subscriber requests activation prior to the Company's receipt of proof of eligibility, the requested service will be provided without the Lifeline credit. The Company will de-enroll Subscribers who do not respond to the annual recertification within thirty (30) days.
- f. To ensure that the Company does not inadvertently provide service to residents of the lands of a Federally Recognized Tribe for which Budget has not obtained all necessary licenses or other forms of approval, the Company will require each Subscriber to provide a street address, to self-certify subject to penalties of perjury that applicant does not reside on Federally-Recognized Tribal Lands in Arizona, or to identify the Federally-Recognized Tribe on the lands of which applicant resides.

Issue Date: July 2, 2013

Effective Date: August 1, 2013

- g. Subscriber must activate the account by making an outbound call.
- h. If required by the FCC, for any subscriber who provides Company with a temporary address, Company will verify with the Subscriber as often as every ninety (90) days that this address remains valid. If the Subscriber fails to respond to the Company within thirty (30) days, Subscriber will be de-enrolled from the Lifeline program.
- i. Company will check the eligibility of low-income consumers seeking to enroll for Lifeline service either by accessing electronic eligibility databases, where available, or by reviewing documentation from the Subscriber demonstrating his/her eligibility for Lifeline Services at initial enrollment.
- j. Subscriber must notify Company within 30 days if for any reason the Subscriber no longer satisfies the criteria for receiving Lifeline or if Subscriber is receiving more than one Lifeline service or if another member of Subscriber's household is receiving a Lifeline benefit. Subscriber understands that failure to provide such notice may result in penalties.
- k. Toll restriction is provided on all eligible accounts at no charge.
- l. If no usage appears on a Lifeline Subscriber's account during any continuous 60-day period, Company will promptly notify the Subscriber that the Subscriber is no longer eligible for the Company's Lifeline services subject to a 30-day grace period. During the 30-day grace period, the Subscriber's account will remain active, and the Company will engage in outreach efforts to determine whether the Subscriber desires to remain on Company's Lifeline service. If the prepaid Subscriber's account does not show any Subscriber-specific activity during the grace period (such as making or receiving a voice call or purchasing additional minutes or services for the Subscriber's existing Lifeline account), Company will de-enroll Subscriber from Lifeline services. In addition, the Company will not seek to recover a federal Universal Service Fund subsidy for any free minutes provided to the Subscriber during the grace period or thereafter report that Subscriber on its USAC Form 497.
- m. Subscribers participating in the Lifeline service must provide their new address to the Company within thirty (30) days of moving.

Issue Date: July 2, 2013

Effective Date: August 1, 2013

Issuing Officer: David Donahue
1325 Barksdale Boulevard

- n. Company will follow any established FCC or Arizona Corporation Commission ("ACC") procedures to comply with the "one-per-qualifying subscriber per household rule" for Lifeline support. Company will make available state-specific Subscriber data, including name and address, to the Universal Service Administrative Company ("USAC") and to the ACC as required for the purpose of permitting USAC or the ACC to determine whether an existing Company Lifeline Subscriber receives Lifeline service from another carrier. Company will promptly investigate any notification that it receives from USAC or the ACC that one of its Subscribers already receives Lifeline service from another carrier. Should the Company's investigation conclude that the Subscriber receives Lifeline services from another carrier in violation of the FCC regulations, or if otherwise directed or informed by USAC, the ACC, or the National Lifeline Accountability Database, Company will immediately notify the Subscriber and de-enroll Subscriber from Lifeline services.
- o. Company will: (1) provide its Lifeline Subscribers with 911 and E911 access regardless of activation status and availability of prepaid minutes; and (2) provide E911-compliant handsets to all of its Lifeline Subscribers; and (3) replace, at no charge to a Subscriber, any non-compliant handset of an existing Subscriber that obtains Lifeline-supported services with an E911-compliant handset.
- p. Company reserves the right to track its Lifeline Subscriber's primary residential address and prohibit more than one supported Company service at each residential address unless Subscriber can demonstrate, consistent with FCC and/or USAC criteria, that Subscriber is part of a different household at the same address. Additionally, Company will maintain the Subscriber's certification form, as well as records of how the Subscriber demonstrated eligibility and provide the documentation to the appropriate regulatory body upon request.
- q. International access can be purchased separately.
- r. Company will not provide Lifeline service to eligible residents residing on the lands of a Federally Recognized Tribe in Arizona until it has obtained any and all necessary licenses or other forms of approval that may be required by a Tribe. Budget will file a copy of the tribal license or other form of approval with the ACC, (with a copy to ALECA's counsel of record.)
