Commissioner Bob Burns
Arizona Corporation Commission
1200 West Washington
Phoenix, AZ 85007

Dear Commissioner Burns:

Thank you for your recent letter expressing your concerns about having residents pay for solar energy services even if they don't use solar power in their homes or businesses.

It's not fair for the average homeowner to have their utility rates increased to pay for a service they don't use.

Again, thank you for your leadership on this important issue.

Sincerely,

THE GOOCH FAMILY
