Re: Compliance with Condition 17 - Confirmation of the completion of system upgrades required under the interconnection agreement.

CEC Docket Number L00000GG-08-0407-00139, Case Number 139, Decision Number 70638

CEC Docket Number L00000GG-08-0408-00140, Case Number 140, Decision Number 70639

This letter serves to inform you of the compliance action taken for the Solana Generating Facility CEC (Decision 70638), Condition number 17, which states:

"The Applicant, or its assignee(s), shall file with Commission Docket Control, confirmation of the completion of system upgrades required under the interconnection agreement at least thirty days before commercial operation of the plant and associated transmission lines."

Arizona Solar One, LLC and Arizona Public Service (APS) have completed the compliance activity, evidence of which may be found in the attached documentation.

Respectfully,

Emiliano Garcia
Solana – General Manager

Regarding: Arizona Solar One – Solana Solar Project (Q44)
Confirmation of Solana In-Service Status

This letter is to provide Arizona Solar One LLC confirmation from APS that the Solana Solar Project was placed in-service on April 19, 2013. Construction of this project, including Network Upgrades, as described in the LGIA is complete.

Please contact me if you have any questions or concerns.

Sincerely,

A handwritten signature in cursive script that reads "Darak R. Eaddy".
