Nature of Complaint:

I am EXTREMELY sensitive to Electromagnetic Radiation and have been since I was young. First it was lights, then cell phones, now cell phone (H.A.A.R.P.) towers and "Smart" Meters. Recently, I moved to Sedona... just up the street from Airport Mesa and those wretched radiation towers. Only after a week, I started developing nervous system issues, headaches, and got VERY little sleep. Now that we moved out of this sublet and have been sleeping out in Nature... I feel %1000 better and sleep deep once more.

I've researched this technology... MICROWAVE technology that was utilized by the Nazis. The same technology that these cell towers and smart meters use... sending ELF(extreme low frequency) or EHF(extreme high frequency)... completely UNATURALLY microwaves our VERY DELICATE Energy Bodies! Not only us but ALL other Animals and PlantLife, as well! Notice how HOT it is here?? How HOT it is the closer you get to those towers?? Sedona sometimes FEELS like hell on earth BECAUSE of Microwave Radiation... I've honestly never lived anywhere hotter and I've lived in a lot of places.

"Smart" Meters are just as bad! They are basically PERSONAL CELL PHONE TOWERS!!! This should be considered ATROCITY and a CRIME to Mankind and Nature.

You want to help yourself, your family, and your city?? Take down the Towers. DO NOT allow Smart Meters AT ALL.

Otherwise you MICROWAVE your own People. LITERALLY. Please, stop killing us.
