Re: Notice of Errata to Compliance Filing – Tucson Electric Power Company
Decision No. 73912, Docket No. E-01933A-12-0291

On July 2, 2013, in compliance with Decision No. 73912 (June 27, 2013), Tucson Electric Power Company (“TEP”) filed its Schedule of Rates and Charges, Rules and Regulations, and Plans of Administration, which were posted on the TEP website on July 1, 2013. In that filing, language from the Rider-6 REST TS-1 Tariff, approved by Decision No. 73637, was inadvertently omitted and because of this omission, language in the Statement of Charges was misstated. There are no changes to the rates in either Tariff. Please replace the filed REST TS-1 Tariff and the TEP Statement of Charges with the enclosed corrected copies.

If you have any questions regarding the revised Tariffs, please contact me at (520) 884-3680.

Sincerely,

Jessica Bryne

DOCKETED BY

Rider R-6
Renewable Energy Standard and Tariff (REST) Surcharge
REST-TS1 Renewable Energy Program Expense Recovery

APPLICABILITY

Mandatory, non-bypassable surcharge applied to all energy consumed by all Customers throughout Company's entire electric service area.

RATES

For all energy billed which is supplied by the Company to the Customer. The REST surcharge shall be applied to all monthly bills. The REST rates are shown in the TEP Statement of Charges.

Notes:

1. A Large Commercial Customer is one with monthly demand greater or equal to 200 kW but less than 3,000 kW.
2. An Industrial Customer is one with monthly demand equal to or greater than 3,000 kW.
3. For non-metered services, the lesser of the load profile or otherwise estimated kWh required to provide the service in question, or the service's contract
4. kWh shall be used in the calculation of the surcharge.

This charge will be a line item on customer bills reading "Renewable Energy Standard Tariff."

Per Decision No. 73637 effective March 21, 2013, any Customer who has received incentives on and after January 1, 2012 under the REST Rules, shall pay the average of the REST surcharge paid by members of their Customer class. Any Customer who has a renewable installation without incentives that is interconnected with TEP's system on and after February 1, 2013 shall pay the average of the REST surcharge paid by members of their Customer class. The average price by class is shown in the TEP Statement of Charges

TEP STATEMENT OF CHARGES

For all additional charges and assessments approved by the Arizona Corporation Commission (ACC) see the TEP Statement of Charges which is available on TEP's website at www.tep.com.

RULES AND REGULATIONS

The standard Rules and Regulations of the Company as on file with the ACC shall apply where not inconsistent with this Rider.

TAX CLAUSE

To the charges computed under the above rate, including any adjustments, shall be added the applicable proportionate part of any taxes or governmental impositions which are or may in the future be assessed on the basis of gross revenues of the Company and/or the price or revenue from the electric energy or service sold and/or the volume of energy generated or purchased for sale and/or sold hereunder.
