Commission,

My husband and I are one of the many seniors living (75+80 yrs old) along the colo. River. And it really upsets me to think that anyone would try & stop one of our companys from giving us a decrease on our electric as his as it is and everything else we have to pay for. We live on a fixed income and pray that there may be other companies like them & follow their lead.

We have lived here for 30 years & are not lucky enough to have two homes so we can get out of the hear here in the summer so we do without other things to pay all our bills. What if it was you who lived on a fixed income & no one would ever try & give you a break. Think about it!

Sincerely,

Judy Johnson
