B. General Terms and Conditions of Service

1. **Service Availability:** Service is available only if Subscriber is within select coverage area. Service may be interrupted due to system capacity limitations and system repairs or modifications. Service is subject to limitation or interruption caused by weather, terrain, obstructions such as trees or buildings and other conditions. Company is not responsible for time lost or days lost for interruption of service caused by the above mentioned factors. There will be no credits or refunds issued for any reason.
2. **Service Activation:** Subscriber must purchase a Company service plan in order to activate a Lifeline account.
3. **Use of Service/Rates:** Each text message sent or received by Subscribers, except for a text message initiated by Company, is equivalent to one minute of usage and reduces a Subscriber's plan minutes accordingly. Calls and text messages initiated by Company that are received by Subscribers do not reduce Subscriber plan minutes. Subscribers can use the service to place 911 emergency services calls regardless of whether any minutes remain on their account or activation status. Subscribers can use the service to contact Customer Service at 888.777.4007 or 611 and minutes used by the Subscriber for customer service calls will not be deducted from Subscriber's account. Subscribers can use the service to contact directory assistance (411 or #4007), and operator services (0); minutes used for such calls will be deducted from Subscriber's account. Subscribers cannot use the service to place operator assisted calls such as third party billed, and collect calls. Subscribers are unable to place calls directly to International numbers or numbers that begin with 500, 700, 855, 900 or 976. Subscribers are also unable to forward calls, or send/receive Multimedia Messages. If Subscriber is unable to successfully place a call out, attempt dialing with 1 + the area code + the 7-digit number. It is highly recommended that Subscriber power cycle the phone at least once per day to help re-register the phone within the Network.

4. Service Continuation and Cancellation: (M)

Lifeline Subscribers who take service under any plan, except the 250 Minute Talk, and fail to pay for the next 30-day service cycle prior to the expiration of the current 30-day service cycle, will be converted to the 250 Minute Talk plan on the day following the end of the 30-day service cycle. However, Lifeline Subscribers will have the ability to revert back to their previous plan or select any other applicable plan at any time if they pay for such plan for another 30-day service cycle. Any minutes remaining under the 250 Minute Talk plan will not be carried over to the newly selected plan, whether or not the newly selected plan is the same as the one in place prior to the conversion to the 250 Minute Talk plan. Subscribers to all plans except the 250 Minute Talk plan will continue to revert back to the 250 Minute Talk plan anytime they fail to timely pay for the next 30-day service cycle. As set forth below Section E.5.k., if no usage appears on a Lifeline Subscriber's account during any continuous 60-day period, Company will promptly notify the Subscriber that the Subscriber is no longer eligible for the Company's Lifeline service subject to a 30-day grace period. (T)

5. Deduction of Minutes: Deduction of minutes for a completed call from a Subscriber's handset will begin when the SEND key is pressed and will end when either party ends the call, rounded to the nearest minute. Call detail records will only be provided where required by applicable law.

6. Promotions: Company may offer promotional rates and services from time to time.

C. Termination or Suspension of Service

1. Disputes: If Subscriber is on any plan, no credits or adjustments of any kind will be given for calls not connected or for dropped calls. For additional information please see "Service Availability". (T)

2. Suspending Service: Company will not suspend service if Subscriber's phone is lost, stolen, misplaced, or broken. The expiration date on Subscriber's account cannot be changed or extended for any reason.

3. Company's Right to Terminate Service: Company has the right to monitor all usage on active accounts. Subscriber may not use services to make or transmit any unsolicited commercial voice calls, text messages, etc. Company reserves the right to restrict, suspend or terminate service to Subscriber's number, without notice and at the Company's sole discretion if the Company suspects fraudulent, illegal or abusive activity, if Subscriber fails to maintain an appropriate account balance for applicable charges, if Subscriber harasses Company employees and/or other Company Subscribers, or if Subscriber makes repeated and unjustified calls to Company's customer care.

All airtime (airtime associated with a particular plan, as well as additional purchased minutes, text messages or other services) expires at the end of each 30-day cycle whether Subscriber uses the airtime or not. - 5. Account Information:** Subscribers are responsible for protecting the security of their accounts. Company recommends that Subscriber not provide their four digit account security code to any other person in order to prevent other persons from making unauthorized changes to the account. Any person that is able to verify Subscriber's mobile number, and/or account information is considered to have been authorized by Subscriber to make changes to the account.
- 6. Porting Policy:** Company offers number portability to its Subscribers at no charge. Company does not guarantee that number transfers to or from Company will be successful. If Subscriber requests to port a number out to another company, that is considered a request by Subscriber to Company to terminate all of the services associated with that number. Subscriber's remaining airtime will be forfeited and Subscriber will not
