FUTURE ADVANCE PROMISSORY NOTE

1. Promise to Pay.

FOR VALUE RECEIVED,

ARIZONA ELECTRIC POWER COOPERATIVE, INC.,

(the "Borrower," which term includes any successors or assigns) promises to pay the **FEDERAL FINANCING BANK** ("FFB," which term includes any successors or assigns) at the times, in the manner, and with interest at the rates to be established as hereinafter

provided, such amounts as may be advanced from time to time by FFB to the Borrower under this Note (each such amount being an "Advance", and more than one such amount being "Advances").

2. Reference to Note Purchase Commitment and Servicing Agreement; RUS as Successor to REA.

This Note is entitled to the benefits of, and is subject to the requirements of, the Note Purchase Commitment and Servicing Agreement dated as of January 1, 1992, between FFB and the Administrator of the Rural Electrification Administration ("REA"), as amended (such agreement, as it has heretofore been, and as it may hereafter be, amended, supplemented, or restated from time to time in accordance with its terms, being the "Agreement"). The Administrator of the Rural Utilities Service ("RUS") is the successor to the Administrator of REA pursuant to Public Law No. 103-354, 108 Stat. 3209 (1994), and Secretary of Agriculture Memorandum 1010-1 dated October 20, 1994.

3. Advances; Advance Requests; RUS Approval Requirement; Last Day for an Advance.

(a) FFB shall make Advances to the Borrower from time to time under this Note, in each case upon the written request by the Borrower for an Advance under this Note, in the form of request attached to this Note as Annex A (each such request being an "Advance Request"), making reference to the particular "Note Identifier" (as that term is defined in the Agreement) that FFB assigns to this Note (as provided in the Agreement) and specifying:

(1) the particular amount of funds that the Borrower requests to be advanced (such amount being the "Requested Advance Amount" for the respective Advance);

(2) the particular calendar date that the Borrower requests to be the date on which the respective Advance is to be made (such date being the "Requested Advance Date" for such Advance), which date must be a Business Day;

(3) the particular bank account to which the Borrower requests that the respective Advance be made;

(4) the particular calendar date that the Borrower selects to be the date on which the respective Advance is to mature (such date being the "Maturity Date" for such Advance), which date must meet the criteria for Maturity Dates prescribed in paragraph 5 of this Note;

(5) with respect to each Advance for which the Borrower selects a Maturity Date that will occur on or after the particular date specified on page 1 of this Note as being the "First Principal Payment Date," the particular method for the repayment of principal that the Borrower selects for the respective Advance from among the options described in subparagraph (b) of paragraph 8 of this Note; and

(6) with respect to each Advance for which the Borrower selects a Maturity Date that will occur on or after the fifth anniversary of the Requested Advance Date specified in the respective Advance Request, the particular prepayment/refinancing privilege that the Borrower elects for such Advance from between the options described in subparagraphs (b) and (c) of paragraph 16 of this Note.

(b) To be effective, an Advance Request must first be delivered to RUS for approval and be approved by RUS in writing, and such Advance Request, together with written notification of RUS's approval thereof, must be received by FFB on or before the third Business Day before the Requested Advance Date specified in such Advance Request.

(c) FFB shall make each requested Advance on the Requested Advance Date specified in the respective Advance Request, subject to the provisions of the Agreement describing certain circumstances under which a requested Advance shall be made on a later date; provided, however, that no Advance shall be made under this Note after the particular date specified on page 1 of this Note as being the "Last Day for an Advance."

(d) FFB shall make each requested Advance by electronic funds transfer to the particular bank account specified in the respective Advance Request.

(e) The Borrower hereby agrees that each Advance made by FFB in accordance with an RUS-approved Advance Request delivered to FFB shall reduce, by the amount of the respective Advance made, FFB's remaining commitment to make Advances under this Note.

4. Principal Amount of Advances; Maximum Principal Amount.

The principal amount of each Advance shall be the Requested Advance Amount specified in the respective Advance Request; provided, however, that the aggregate principal amount of all Advances made under this Note shall not exceed the particular amount specified on page 1 of this Note as being the "Maximum Principal Amount."

5. Maturity Dates for Advances.

Each Advance shall mature on the Maturity Date specified in the respective Advance Request, provided that such Maturity Date meets the following criteria:

(a) the Maturity Date for the respective Advance must be a "Payment Date" (as that term is defined in paragraph 7 of this Note);

(b) the Maturity Date for the respective Advance may not be a date that will occur after the particular date specified on page 1 of this Note as being the "Final Maturity Date" (such date being the "Final Maturity Date"); and

(c) the period of time between the Requested Advance Date for the respective Advance and the Maturity Date for such Advance may not be less than one complete calendar quarter.

6. Computation of Interest on Advances.

(a) Subject to paragraphs 11 and 17 of this Note, interest on the outstanding principal of each Advance shall accrue from the date on which the respective Advance is made to the date on which such principal is due.

(b) Interest on each Advance shall be computed on the basis of (1) actual days elapsed from (but not including) the date on which the respective Advance is made (for the first payment of interest due under this Note for such Advance) or the date on which the payment of interest was last due (for all other payments of interest due under this Note for such Advance), to (and including) the date on which the payment of interest is next due; and (2) a year of 365 days (except in calendar years including February 29, when the basis shall be a 366-day year).

(c) The basic interest rate for each Advance shall be established by FFB, as of the date on which the respective Advance is made, on the basis of the determination made by the Secretary of the Treasury pursuant to section 6(b) of the Federal Financing Bank Act of 1973, as amended (codified at 12 U.S.C. § 2281 et seq.) (the "FFB Act"); provided, however, that the shortest maturity used as the basis for any rate determination shall be the remaining maturity of the most recently auctioned United States Treasury bills having the shortest maturity of all United States Treasury bills then being regularly auctioned.

(d) In the event that (1) the Borrower has selected for any Advance a Maturity Date that will occur on or after the fifth anniversary of the Requested Advance Date for such Advance, and (2) the Borrower has elected for such Advance a prepayment/refinancing privilege described in subparagraph (c) of paragraph 16 of this Note, then the interest rate for such Advance shall also include a price (expressed in terms of a basis point increment to the applicable basic interest rate) for the particular prepayment/refinancing privilege that the Borrower selected, which price shall be established by FFB on the basis of a determination made by FFB as to the difference between (A) the estimated market yield of a notional obligation if such obligation were to (i) be issued by the Secretary of the Treasury, (ii) have a maturity comparable to the maturity of such Advance, and (iii) include prepayment and refinancing privileges identical to the particular prepayment/refinancing privilege that the Borrower elected for such Advance, and (B) the estimated market yield of a notional obligation if such obligation were to (i) be issued by the Secretary of the Treasury, (ii) have a maturity comparable to the maturity of such Advance, but (iii) not include such prepayment and refinancing privileges.

7. Payment of Interest; Payment Dates.

Interest accrued on the outstanding principal amount of each Advance shall be due and payable quarterly on the last day of each calendar quarter (each such day being a "Payment Date"), beginning (except as provided below) on the first Payment Date to occur after the date on which the respective Advance is made, up through and including the Maturity Date of such Advance; provided, however, that with respect to each Advance that is made in the last month of any calendar quarter, payments of accrued interest on the outstanding principal amount of the respective Advance shall be due beginning on the second Payment Date to occur after the date on which such Advance is made.

8. Repayment of Principal; Principal Repayment Options.

(a) The principal amount of each Advance shall be payable in quarterly installments, which installments shall be due beginning on the particular date specified on page 1 of this Note as being the "First Principal Payment Date" (such date being the "First Principal Payment Date"), and shall be due on each Payment Date to occur thereafter until the principal amount of the respective Advance is repaid in full on or before the Final Maturity Date; provided, however, that with respect to each Advance that is made after the First Principal Payment Date, principal installments shall be due beginning on the second Payment Date to occur after

the date on which the respective Advance is made; and provided, further, however, that for so long as the Borrower has not selected a method for the repayment of principal for any of the Advances made under this Note from among the options described in subparagraph (b) of this paragraph 8, the First Principal Payment Date of this Note may be deferred by the mutual agreement of the Borrower, RUS, and FFB, provided that a written amendment to this Note reciting the new and later First Principal Payment Date shall have been executed by the Borrower, approved by RUS, and received by FFB on or before the third Business Day before the First Principal Payment Date that is in effect immediately before such deferral.

(b) At the time that the Borrower first selects for any Advance a Maturity Date that will occur on or after the First Principal Payment Date, the Borrower must also select, subject to RUS approval, a method for the repayment of principal of such Advance (each such Advance being an "Amortizing Advance") from among the following options:

(1) "equal principal installments" -- the amount of each quarterly principal installment shall be substantially equal to the amount of every other quarterly principal installment and shall be sufficient, when added to all other such quarterly installments of equal principal, to repay the principal amount of such Amortizing Advance in full on the Final Maturity Date (notwithstanding the fact that the Borrower may have selected a Maturity Date for such Amortizing Advance that will occur before the Final Maturity Date);

(2) "graduated principal installments" -- the amount of each of the first one-third (or nearest number of payments that rounds to one-third) of the total number of quarterly principal installments shall be substantially equal to one-half of the amount of each of the remaining quarterly principal installments, and shall be sufficient, when added to all other such quarterly installments of graduated principal, to repay the principal amount of such Amortizing Advance in full on the Final Maturity Date (notwithstanding the fact that the Borrower may have selected a Maturity Date for such Amortizing Advance that will occur before the Final Maturity Date); or

(3) "level debt service" -- the amount of each quarterly payment consisting of a principal installment and accrued interest shall be substantially equal to the amount of every other quarterly payment consisting of a principal

installment and accrued interest, and shall be sufficient, when added to all other such level quarterly payments consisting of a principal installment and accrued interest, to repay the principal amount of such Amortizing Advance in full on the Final Maturity Date (notwithstanding the fact that the Borrower may have selected a Maturity Date for such Amortizing Advance that will occur before the Final Maturity Date).

(c) For each Amortizing Advance, the amount of principal that shall be due and payable on each of the dates specified in subparagraph (a) of this paragraph 8 shall be the amount of the principal installment due under a principal repayment schedule for the respective Amortizing Advance that is computed in accordance with the principles of the particular method for the repayment of principal that is selected by the Borrower for such Amortizing Advance from among the options described in subparagraph (b) of this paragraph 8. Except at the times described in the immediately following sentence, the method for the repayment of principal that is selected by the Borrower for any Amortizing Advance, and the resulting principal repayment schedule that is so computed for such Amortizing Advance, may not be changed. Notwithstanding the foregoing, with respect to each Amortizing Advance for which the Borrower has selected a Maturity Date that will occur before the Final Maturity Date, the Borrower may change the particular method for the repayment of principal that was selected by the Borrower for the respective Amortizing Advance from either the "equal principal installments" method or the "graduated principal installments" method to the "level debt service" method at the time (if ever) that the Borrower elects to extend the maturity of such Amortizing Advance (as provided in paragraph 15 of this Note), effective as of the effective date of such maturity extension, or at the time (if ever) that the Borrower elects to refinance the outstanding principal amount of such Amortizing Advance (as provided in paragraph 18 of this Note), effective as of the effective date of such refinancing, and the principal repayment schedule for such Amortizing Advance shall thereupon be newly computed in accordance with the "level debt service" method for the repayment of principal. After the Borrower has selected the Final Maturity Date as the Maturity Date for any Amortizing Advance, the Borrower may so change the particular method for the repayment of principal of any Amortizing Advance, and the principal repayment schedule for such Amortizing Advance shall be so newly computed, only at the time (if ever) that the Borrower elects to refinance the outstanding principal amount of such Amortizing Advance (as provided in paragraph 18 of this Note), effective as of the effective date of such refinancing.

(d) With respect to each Advance that has a Maturity Date that will occur before the Final Maturity Date, the entire unpaid principal amount of the respective Advance shall be payable on such Maturity Date, subject to extensions of the maturity of such Advance (as provided in paragraph 15 of this Note).

(e) Notwithstanding which of the methods for the repayment of principal described in subparagraph (b) of this paragraph 8 is selected by the Borrower for any Amortizing Advance, the aggregate of all quarterly payments of principal and interest on such Amortizing Advance shall be such as will repay the entire principal amount of such Amortizing Advance, and pay all interest accrued thereon, on or before the Final Maturity Date.

9. Fee.

A fee to cover expenses and contingencies, assessed by FFB pursuant to section 6(c) of the FFB Act, shall accrue on the outstanding principal amount of each Advance from the date on which the respective Advance is made to the date on which the principal amount of such Advance is due. The fee on each Advance shall be equal to one-eighth of one percent (0.125%) per annum of the unpaid principal balance of such Advance. The fee on each Advance shall be computed in the same manner as accrued interest is computed under paragraph 6(b) of this Note, and shall be due and payable at the same times as accrued interest is due and payable under paragraph 7 of this Note (adjusted as provided in paragraph 10 of this Note if a Payment Date is not a Business Day). The fee on each Advance shall be credited to RUS as required by section 505(c) of the Federal Credit Reform Act of 1990, as amended (codified at 2 U.S.C. § 661d(c)).

10. Business Days.

(a) Whenever any Payment Date, the Maturity Date for any Advance, or the Final Maturity Date shall fall on a day on which either FFB or the Federal Reserve Bank of New York is not open for business, the payment that would otherwise be due on such Payment Date, Maturity Date, or Final Payment Date, as the case may be, shall be due on the first day thereafter on which FFB and the Federal Reserve Bank of New York are both open for business (any such day being a "Business Day").

(b) In the event that any Payment Date falls on a day other than a Business Day, then the extension of time for making the payment that would otherwise be due on such Payment Date shall be (1) taken into account in establishing the interest rate for the respective Advance, (2) included in computing interest due in

connection with such payment, and (3) excluded in computing interest due in connection with the next payment.

(c) In the event that the Maturity Date for any Advance or the Final Maturity Date falls on a day other than a Business Day, then the extension of time for making the payment that would otherwise be due on such Maturity Date or the Final Maturity, as the case may be, shall be (1) taken into account in establishing the interest rate for such Advance, and (2) included in computing interest due in connection with such payment.

11. Late Payments.

(a) In the event that any payment of any amount owing under this Note is not made when and as due (any such amount being then an "Overdue Amount"), then the amount payable shall be such Overdue Amount plus interest thereon (such interest being the "Late Charge") computed in accordance with this subparagraph (a).

(1) The Late Charge shall accrue from the scheduled date of payment for the Overdue Amount (taking into account paragraph 10 of this Note) to the date on which payment is made.

(2) The Late Charge shall be computed on the basis of (A) actual days elapsed from (but not including) the scheduled date of payment for such Overdue Amount (taking into account paragraph 10 of this Note) to (and including) the date on which payment is made, and (B) a year of 365 days (except in calendar years including February 29, when the basis shall be a 366-day year).

(3) The Late Charge shall accrue at a rate (the "Late Charge Rate") equal to one and one-half times the rate to be determined by the Secretary of the Treasury taking into consideration the prevailing market yield on the remaining maturity of the most recently auctioned 13-week United States Treasury bills.

(4) The initial Late Charge Rate shall be in effect until the earlier to occur of either (A) the date on which payment of the Overdue Amount and the amount of the accrued Late Charge is made, or (B) the first Payment Date to occur after the scheduled date of payment for such Overdue Amount. In the event that the Overdue Amount and the amount of the accrued Late Charge are not paid on or before the such Payment Date, then the amount payable shall be the sum of the Overdue Amount and the amount of the accrued Late

Charge, plus a Late Charge on such sum accruing at a new Late Charge Rate to be then determined in accordance with the principles of clause (3) of this subparagraph (a). For so long as any Overdue Amount remains unpaid, the Late Charge Rate shall be redetermined in accordance with the principles of clause (3) of this subparagraph (a) on each Payment Date to occur thereafter, and shall be applied to the Overdue Amount and all amounts of the accrued Late Charge to the date on which payment of the Overdue Amount and all amounts of the accrued Late Charge is made.

(b) Nothing in subparagraph (a) of this paragraph 11 shall be construed as permitting or implying that the Borrower may, without the written consent of FFB, modify, extend, alter or affect in any manner whatsoever (except as explicitly provided herein) the right of FFB to receive any and all payments on account of this Note on the dates specified in this Note.

12. Final Due Date.

Notwithstanding anything in this Note to the contrary, all amounts outstanding under this Note remaining unpaid as of the Final Maturity Date shall be due and payable on the Final Maturity Date.

13. Manner of Making Payments.

(a) For so long as FFB is the holder of this Note and RUS is the loan servicing agent for FFB (as provided in the Agreement), each payment under this Note shall be made in immediately available funds by electronic funds transfer to the account specified from time to time by RUS, as loan servicing agent for FFB, in a written notice delivered by RUS to the Borrower.

(b) In the event that FFB is the holder of this Note but RUS is not the loan servicing agent for FFB, then each payment under this Note shall be made in immediately available funds by electronic funds transfer to the account specified from time to time by FFB in a written notice delivered by FFB to the Borrower.

(c) In the event that FFB is not the holder of this Note, then each payment under this Note shall be made in the manner and to the account specified from time to time by the holder in a written notice delivered by the holder to the Borrower.

14. Application of Payments.

Each payment made on this Note shall be applied, first, to the payment of Late Charges (if any) payable under paragraphs 11 and 19 of this Note, then to the payment of premiums (if any) payable under paragraphs 17 and 18 of this Note, then to the payment of unpaid accrued interest, then on account of outstanding principal, and then to the payment of the fee payable under paragraph 9 of this Note.

15. Maturity Extensions.

(a) With respect to each Advance for which the Borrower has selected a Maturity Date that will occur before the Final Maturity Date (each such Maturity Date being an "Interim Maturity Date"), the Borrower may, effective as of such Interim Maturity Date, elect to extend the maturity of all or any portion of the outstanding principal amount of the respective Advance (subject to subparagraph (c) of this paragraph 15) to a new Maturity Date to be selected by the Borrower in the manner and subject to the limitations specified in this subparagraph (a) (each such election being a "Maturity Extension Election"; each such elective extension of the maturity of any Advance that has an Interim Maturity Date being a "Maturity Extension"; and the Interim Maturity Date that is in effect for an Advance immediately before any such elective Maturity Extension being, from and after such Maturity Extension, the "Maturity Extension Effective Date").

(1) Except under the circumstances described in clause (3) of this subparagraph (a), the Borrower shall deliver to FFB (with a copy to RUS) written notification of each Maturity Extension Election, in the form of notification attached to this Note as Annex B-1 (each such notification being a "Maturity Extension Election Notice"), making reference to the "Advance Identifier" (as that term is defined in the Agreement) that FFB assigned to such Advance (as provided in the Agreement) and specifying, among other things, the following:

(A) the amount of the outstanding principal of the such Advance with respect to which the Borrower elects to extend the maturity (subject to subparagraph (c) of this paragraph 15); and

(B) the new Maturity Date that the Borrower selects to be in effect for such principal amount after the respective Maturity Extension Effective Date, which date:

(i) may be either a new Interim Maturity Date or the Final Maturity Date; and

(ii) in the event that the Borrower selects a new Interim Maturity Date as the new Maturity Date for any Advance, must meet the criteria for Maturity Dates prescribed in paragraph 5 of this Note (provided, however, that, for purposes of selecting a new Maturity Date in connection with a Maturity Extension Election, the reference to "the Requested Advance Date for the respective Advance" in subparagraph (c) of paragraph 5 of this Note shall be deemed to be a reference to "the respective Maturity Extension Effective Date").

(2) To be effective, a Maturity Extension Election Notice must be received by FFB on or before the third Business Day before the Interim Maturity Date in effect for the respective Advance immediately before such Maturity Extension.

(3) In the event that either of the circumstances described in subclause (A) or (B) of the next sentence occurs, then a Maturity Extension Election Notice (in the form of notice attached to this Note as Annex B-2), to be effective, must first be delivered to RUS for approval and be approved by RUS in writing, and such Maturity Extension Election Notice, together with written notification of RUS's approval thereof, must be received by FFB on or before the third Business Day before the Interim Maturity Date in effect for the respective Advance immediately before such Maturity Extension. RUS approval of a Maturity Extension Election Notice will be required under either of the following circumstances:

(A) (i) any payment of any amount owing under this Note is not made by the Borrower when and as due,
(ii) payment is made by RUS in accordance with the guarantee set forth at the end of this Note, and
(iii) RUS delivers notice to both the Borrower and FFB advising each of them that each Maturity Extension Election Notice delivered by the Borrower after the date of such notice shall require the approval of RUS;
or

(B) FFB at any time delivers notice to both the Borrower and RUS advising each of them that each Maturity Extension Election Notice delivered by the

Borrower after the date of such notice shall require the approval of RUS.

(b) With respect to any Advance that has an Interim Maturity Date, in the event that FFB does not receive a Maturity Extension Election Notice (and, if required under clause (3) of subparagraph (a) of this paragraph 15, written notification of RUS's approval thereof) on or before the third Business Day before such Interim Maturity Date, then the maturity of such Advance shall be extended automatically in the manner and subject to the limitations specified in this subparagraph (b) (each such automatic extension of the maturity of any Advance that has an Interim Maturity Date also being a "Maturity Extension"; and the Interim Maturity Date that is in effect for an Advance immediately before any such automatic Maturity Extension also being, from and after such Maturity Extension, the "Maturity Extension Effective Date").

(1) The new Maturity Date for such Advance shall be the immediately following quarterly Payment Date.

(2) If the Interim Maturity Date that is in effect for such Advance immediately before such automatic Maturity Extension is:

(A) a Payment Date that occurs before the First Principal Payment Date (i.e., such Advance is not an Amortizing Advance), then the amount of principal that will have its maturity extended automatically shall be the entire outstanding principal amount of such Advance;

(B) the Payment Date that immediately precedes the First Principal Payment Date, then the method for the repayment of principal that shall apply to such Advance from and after the respective Maturity Extension Effective Date shall be the "level debt service" method; and

(C) either the First Principal Payment Date or a Payment Date that occurs after the First Principal Payment Date (i.e., such Advance is an Amortizing Advance), then:

(i) the amount of principal that will have its maturity extended automatically shall be the outstanding principal amount of such Advance less the principal installment that is due on the

respective Maturity Extension Effective Date (as provided in subparagraph (c) of this paragraph 15; and

(ii) the method for the repayment of principal that shall apply to such Advance from and after the respective Maturity Extension Effective Date shall be the same method that applied to such Advance immediately before such Maturity Extension Effective Date.

(c) In the event that the maturity of any Amortizing Advance that has an Interim Maturity Date is extended under either subparagraph (a) or (b) of this paragraph 15, then the principal installment that is due on the respective Maturity Extension Effective Date, in accordance with the principal repayment schedule that applied to such Amortizing Advance immediately before such Maturity Extension Effective Date, shall nevertheless be due and payable on such Maturity Extension Effective Date notwithstanding such Maturity Extension.

(d) In the event that the maturity of any Advance that has an Interim Maturity Date is extended under either subparagraph (a) or (b) of this paragraph 15, then the basic interest rate for such Advance, from and after the respective Maturity Extension Effective Date, shall be the particular rate that is established by FFB, as of such Maturity Extension Effective Date, in accordance with the principles of subparagraph (c) of paragraph 6 of this Note.

(e) In the event that (1) the maturity of any Advance that has an Interim Maturity Date is extended under either subparagraph (a) or (b) of this paragraph 15, and (2) the Maturity Date for such extended Advance is a date that will occur before the fifth anniversary of the respective Maturity Extension Effective Date, then the prepayment/refinancing privilege described in subparagraph (b) of paragraph 16 of this Note shall apply automatically to such Advance.

(f) In the event that (1) the Borrower makes a Maturity Extension Election with respect to any Advance that has an Interim Maturity Date, and (2) the Borrower selects as the Maturity Date for such extended Advance a new Maturity Date that will occur on or after the fifth anniversary of the respective Maturity Extension Effective Date, then the Borrower must elect a prepayment/refinancing privilege for such extended Advance from between the options described in subparagraphs (b) and (c) of paragraph 16 of this Note (provided, however, that each of the

references to "the Requested Advance Date for such Advance" in subparagraph (c) of paragraph 16 of this Note shall be deemed to be a reference to "the respective Maturity Extension Effective Date"). The Maturity Extension Election Notice delivered by the Borrower in connection with each such Maturity Extension Election must also specify the particular prepayment/refinancing privilege that the Borrower elects for the respective extended Advance. In the event that the Borrower elects for any such extended Advance a prepayment/refinancing privilege described in subparagraph (c) of paragraph 16 of this Note, then the interest rate for such extended Advance, from and after the respective Maturity Extension Effective Date, shall include a price (expressed in terms of a basis point increment to the applicable basic interest rate) for the particular prepayment/refinancing privilege that the Borrower elects, which price shall be established by FFB, as of such Maturity Extension Effective Date, in accordance with the principles of subparagraph (d) of paragraph 6 of this Note.

(g) In the event that the maturity of any Amortizing Advance that has an Interim Maturity Date is extended under either subparagraph (a) or (b) of this paragraph 15, then the outstanding principal amount of such Amortizing Advance, after the respective Maturity Extension Effective Date, shall be due and payable in accordance with this subparagraph (g).

(1) With respect to each Amortizing Advance to which either the "equal principal installments" method or the "graduated principal installments" method for the repayment of principal applies, the amount of the quarterly principal installments that will be due after the respective Maturity Extension Effective Date shall be equal to the amount of the quarterly installments of equal principal or graduated principal, as the case may be, that were due in accordance with the principal repayment schedule that applied to such Amortizing Advance immediately before such Maturity Extension Effective Date.

(2) With respect to each Amortizing Advance to which the "level debt service" method for the repayment of principal applies, the amount of the level quarterly payments consisting of a principal installment and accrued interest that will be due after the respective Maturity Extension Effective Date shall be newly computed so that the amount of each such quarterly payment consisting of a principal installment and accrued interest (taking into account the new interest rate that is in effect for such Amortizing Advance from and after such Maturity Extension Effective Date) shall be substantially equal to the amount

of every other quarterly payment consisting of a principal installment and accrued interest, and shall be sufficient, when added to all other such newly-computed level quarterly payments consisting of a principal installment and accrued interest, to repay the outstanding principal amount of such Amortizing Advance in full on the Final Maturity Date (notwithstanding the fact that the Borrower may have selected an Interim Maturity Date for such Amortizing Advance).

(3) For each such Amortizing Advance, the quarterly installments of equal principal or graduated principal, or the newly-computed level quarterly payments consisting of a principal installment and accrued interest, as the case may be, shall be due beginning on the first Payment Date to occur after the respective Maturity Extension Effective Date, and shall be due on each Payment Date to occur thereafter up through and including the earlier to occur of either (A) the new Maturity Date for such extended Amortizing Advance, on which date the entire unpaid principal amount of such extended Amortizing Advance shall also be payable, subject to further Maturity Extensions if the new Maturity Date is an Interim Maturity Date, or (B) the date on which the entire principal amount of such extended Amortizing Advance, and all unpaid interest (and Late Charges, if any) accrued thereon, are paid.

(h) The maturity of each Advance may be extended more than once as provided in this paragraph 15, but upon the occurrence of the Final Maturity Date, no further Maturity Extensions may occur.

16. Prepayment/Refinancing Privileges.

(a) The prepayment/refinancing privilege described in subparagraph (b) of this paragraph 16 shall apply automatically to each Advance that has a Maturity Date that will occur before the fifth anniversary of the Requested Advance Date specified in the respective Advance Request. With respect to each Advance for which the Borrower has selected a Maturity Date that will occur on or after the fifth anniversary of the Requested Advance Date specified in the respective Advance Request, the Borrower must elect, at the time of requesting the respective Advance, the particular prepayment/refinancing privilege that is to apply to such Advance from between the options described in subparagraphs (b) and (c) of this paragraph 16.

(b) "Market Value Premium (or Discount)" -- The Borrower shall have the privilege to prepay the respective Advance (as provided in paragraph 17 of this Note) or to refinance such Advance (as provided in paragraph 18 of this Note) at a prepayment or refinancing price that will include, in either case, a premium (or discount credit) equal to the difference between:

(1) the price for such Advance that would, if such Advance (including all unpaid interest accrued thereon through the date of prepayment or refinancing, as the case may be) were purchased by a third party and held to the Maturity Date of such Advance, produce a yield to the third-party purchaser for the period from the date of purchase to the Maturity Date of such Advance substantially equal to the interest rate that would be set on a loan from the Secretary of the Treasury to FFB to purchase an obligation having a payment schedule identical to the payment schedule of such Advance for the period from the date of prepayment or refinancing, as the case may be, to the Maturity Date of such Advance; and

(2) the sum of:

(A) the outstanding principal amount of such Advance on the date of prepayment or refinancing, as the case may be (after taking into account the payment of the principal installment (if any) that is due on date of prepayment or refinancing, as the case may be, in accordance with the principal repayment schedule that applied to such Advance immediately before such prepayment or refinancing); and

(B) all unpaid interest accrued on such Advance through the date of prepayment or refinancing, as the case may be,

(the difference between the price described in clause (1) of this subparagraph (b) and the sum of the amounts described in clause (2) of this subparagraph (b) being the "Market Value Premium (or Discount)"). The price described in clause (1) of this subparagraph (b) shall be calculated by the Secretary of the Treasury as of the close of business on the second Business Day before the date of prepayment or refinancing, as the case may be, using standard calculation methods of the United States Department of the Treasury.

(c) "Fixed Premium" -- The Borrower shall have the privilege to prepay the respective Advance (as provided in paragraph 17 of this Note) or to refinance such Advance (as provided in paragraph 18 of this Note) at a prepayment or refinancing price that will include, in either case, a fixed premium determined by the Borrower having made, at the time of requesting such Advance, both the election and selection described in this subparagraph (c).

(1) "No-Call Period Option Election" -- First, the Borrower must elect whether or not the fixed premium prepayment/refinancing privilege that is to apply to the respective Advance shall include a 5-year period during which such Advance shall not be eligible for any prepayment or refinancing (such time period being a "No-Call Period"). The options are:

(A) "yes" -- the Borrower elects to have the fixed premium prepayment/refinancing privilege include a 5-year No-Call Period, i.e., the Borrower shall have the privilege to prepay the respective Advance (as provided in paragraph 17 of this Note) or to refinance such Advance (as provided in paragraph 18 of this Note) on or after (but not before):

(i) the fifth anniversary of the Requested Advance Date for such Advance (if such fifth anniversary date is a Payment Date); or

(ii) the first Payment Date to occur after the fifth anniversary of the Requested Advance Date for such Advance (if such fifth anniversary date is not a Payment Date),

(in either case, such date being the "First Call Date" for such Advance); or

(B) "no" -- the Borrower elects to have the fixed premium prepayment/refinancing privilege not include a 5-year No-Call Period, i.e., the Borrower shall have the privilege to prepay the respective Advance (as provided in paragraph 17 of this Note) or to refinance such Advance (as provided in paragraph 18 of this Note) without a 5-year period during which such Advance shall not be eligible for any prepayment or refinancing.

(2) "Premium Option Selection" -- Second the Borrower must select the particular fixed premium that will be

required in connection with any prepayment or refinancing of the respective Advance. The options are:

(A) "10 percent premium declining over 10 years" -- the price for any prepayment or refinancing of the respective Advance shall include a premium equal to 10 percent of the amount of principal being prepaid or refinanced, as the case may be, multiplied by a fraction:

(i) the numerator of which is the number of Payment Dates that occur between:

(aa) in the case of a prepayment, the date of prepayment (if such date is a Payment Date) or the Payment Date immediately preceding the date of prepayment (if the date of prepayment is not a Payment Date), and, in the case of a refinancing, the date of refinancing, which date, in either case, shall be included in computing the number of Payment Dates; and

(bb) the earlier to occur of either:

(I) the Maturity Date that the Borrower selected for such Advance; or

(II) the tenth anniversary of the applicable First Call Date (if the Borrower elected to have the prepayment/refinancing privilege include a 5-year No-Call Period) or the tenth anniversary of the Requested Advance Date (if the Borrower elected to have the prepayment/refinancing privilege not include a 5-year No-Call Period),

which date, in either case, shall be excluded in computing the number of Payment Dates; and

(ii) the denominator of which is 40,

and no premium (x) on or after the tenth anniversary of the applicable First Call Date (if the Borrower elected to have the prepayment/refinancing privilege include a 5-year No-Call Period) or the tenth anniversary of the Requested Advance Date (if the Borrower elected to have

the prepayment/refinancing privilege not include a 5-year No-Call Period), or (y) on the Maturity Date (if the Borrower selected a Maturity Date that will occur before the tenth anniversary of the First Call Date or the tenth anniversary of the Requested Advance Date, as the case may be);

(B) "5 percent premium declining over 5 years" -- the price for any prepayment or refinancing of the respective Advance shall include a premium equal to 5 percent of the amount of principal being prepaid or refinanced, as the case may be, multiplied by a fraction:

(i) the numerator of which is the number of Payment Dates that occur between:

(aa) in the case of a prepayment, the date of prepayment (if such date is a Payment Date) or the Payment Date immediately preceding the date of prepayment (if the date of prepayment is not a Payment Date), and, in the case of a refinancing, the date of refinancing, which date, in either case, shall be included in computing the number of Payment Dates; and

(bb) the earlier to occur of either:

(I) the Maturity Date that the Borrower selected for such Advance; or

(II) the fifth anniversary of the applicable First Call Date (if the Borrower elected to have the prepayment/refinancing privilege include a 5-year No-Call Period) or the fifth anniversary of the Requested Advance Date (if the Borrower elected to have the prepayment/refinancing privilege not include a 5-year No-Call Period),

which date, in either case, shall be excluded in computing the number of Payment Dates; and

(ii) the denominator of which is 20,

and no premium on or after the fifth anniversary of the applicable First Call Date (if the Borrower elected to have the prepayment/refinancing privilege include a 5-year No-Call Period) or the fifth anniversary of the Requested Advance Date (if the Borrower elected to have the prepayment/refinancing privilege not include a 5-year No-Call Period); or

(C) "par" -- the price for any prepayment or refinancing of the respective Advance shall include no premium.

17. Prepayments.

(a) The Borrower may elect to prepay all or any portion of the outstanding principal amount of any Advance made under this Note, or to prepay this Note in its entirety, in the manner, at the price, and subject to the limitations specified in this paragraph 17 (each such election being a "Prepayment Election").

(b) For each Prepayment Election in which the Borrower elects to prepay a particular amount of the outstanding principal of an Advance, the Borrower shall deliver to RUS written notification of the respective Prepayment Election, in the form of notification attached to this Note as Annex C-1 (each such notification being a "Prepayment Election Notice"), making reference to the Advance Identifier that FFB assigned to the respective Advance (as provided in the Agreement) and specifying, among other things, the following:

(1) the particular date on which the Borrower intends to make the prepayment on such Advance (such date being the "Intended Prepayment Date" for such Advance), which date:

(A) must be a Business Day; and

(B) for any Advance for which the Borrower has selected a fixed premium prepayment/refinancing privilege that includes a 5-year No-Call Period, may not be a date that will occur before the applicable First Call Date; and

(2) the amount of principal of the respective Advance that the Borrower intends to prepay, which amount may be either:

(A) the total outstanding principal amount of such Advance; or

(B) an amount less than the total outstanding principal amount of such Advance (subject to subparagraph (g) of this paragraph 17) (any such amount being a "Portion").

(c) For each Prepayment Election in which the Borrower elects to have a particular amount of funds applied by FFB toward the prepayment of the outstanding principal of an Advance, the Borrower shall deliver to RUS written notification of the respective Prepayment Election, in the form of notification attached to this Note as Annex C-2 (each such notification also being a Prepayment Election Notice"), making reference to the Advance Identifier that FFB assigned to the respective Advance (as provided in the Agreement) and specifying, among other things, the following:

(1) the particular date on which the Borrower intends to make the prepayment on such Advance (such date being the "Intended Prepayment Date" for such Advance), which date:

(A) must be a Business Day; and

(B) for any Advance for which the Borrower has selected a fixed premium prepayment/refinancing privilege that includes a 5-year No-Call Period, may not be a date that will occur before the applicable First Call Date; and

(2) the particular amount of funds that the Borrower elects to be applied by FFB toward a prepayment of the outstanding principal amount of such Advance.

(d) To be effective, a Prepayment Election Notice must be approved by RUS in writing, and such Prepayment Election Notice, together with written notification of RUS's approval thereof, must be received by FFB on or before the fifth Business Day before the date specified therein as the Intended Prepayment Date for the respective Advance or Portion.

(e) The Borrower shall pay to FFB a price for the prepayment of any Advance, any Portion of any Advance, or this Note in its entirety (such price being the "Prepayment Price" for such Advance or Portion or this Note, as the case may be) determined as follows:

(1) in the event that the Borrower elects to prepay the entire outstanding principal amount of any Advance, then the

Borrower shall pay to FFB a Prepayment Price for such Advance equal to the sum of:

(A) the entire outstanding principal amount of such Advance on the Intended Prepayment Date;

(B) all unpaid interest (and Late Charges, if any) accrued on such Advance through the Intended Prepayment Date; and

(C) the amount of the premium or discount credit (if any) that is required under the particular prepayment/refinancing privilege that applies to such Advance;

(2) in the event that the Borrower elects to prepay a Portion of any Advance, then the Borrower shall pay to FFB a Prepayment Price for such Portion that would equal such Portion's pro rata share of the Prepayment Price that would be required for a prepayment of the entire outstanding principal amount of such Advance (determined in accordance with the principles of clause (1) of this subparagraph (e)); and

(3) in the event that the Borrower elects to prepay this Note in its entirety, then the Borrower shall pay to FFB an amount equal to the sum of the Prepayment Prices for all outstanding Advances (determined in accordance with the principles of clause (1) of this subparagraph (e)).

(f) Payment of the Prepayment Price for any Advance, any Portion of any Advance, or this Note in its entirety shall be due to FFB before 3:00 p.m. (Washington, D.C., time) on the Intended Prepayment Date for such Advance or Portion or this Note, as the case may be.

(g) Each prepayment of a Portion shall, as to the principal amount of such Portion, be subject to a minimum amount equal to \$100,000.00 of principal.

(h) In the event that the Borrower makes a Prepayment Election with respect to any Portion of an Amortizing Advance, then the Prepayment Price paid for such Portion shall be applied as provided in paragraph 14 of this Note and, with respect to application to outstanding principal, such Prepayment Price shall be applied to principal installments in the inverse order of maturity.

(i) In the event that the Borrower makes a Prepayment Election with respect to any Portion of an Amortizing Advance, then the outstanding principal amount of such Amortizing Advance, after such partial prepayment, shall be due and payable in accordance with this subparagraph (i).

(1) With respect to each Amortizing Advance to which either the "equal principal installments" method or the "graduated principal installments" method for the repayment of principal applies, the amount of the quarterly principal installments that will be due after such partial prepayment shall be equal to the quarterly installments of equal principal or graduated principal, as the case may be, that were due in accordance with the principal repayment schedule that applied to such Amortizing Advance immediately before such partial prepayment.

(2) With respect to each Amortizing Advance to which the "level debt service" method for the repayment of principal applies, the amount of the quarterly payments consisting of a principal installment and accrued interest that will be due after such partial prepayment shall be equal to the amount of the level debt service payments that were due in accordance with the level debt service payment schedule that applied to such Amortizing Advance immediately before such partial prepayment, and such payments shall be allocated by FFB between principal and accrued interest, as appropriate.

(3) For each such Amortizing Advance, the quarterly installments of equal principal or graduated principal, or level quarterly payments consisting of a principal installment and accrued interest, as the case may be, shall be due beginning on the first Payment Date to occur after such partial prepayment, and shall be due on each Payment Date to occur thereafter up through and including the earlier to occur of either (A) the Maturity Date for such Amortizing Advance, on which date the entire unpaid principal amount of such Amortizing Advance shall also be payable, subject to Maturity Extensions (as provided in paragraph 15 of this Note) if the Maturity Date is an Interim Maturity Date, or (B) the date on which the entire principal amount of such Amortizing Advance, and all unpaid interest (and Late Charges, if any) accrued thereon, are paid.

(j) The Borrower may make more than one Prepayment Election with respect to an Advance, each such Prepayment Election being

made with respect to a different Portion of such Advance, until such time as the entire principal amount of such Advance is repaid in full.

18. Refinancings.

(a) The Borrower may elect to refinance the outstanding principal amount of any Advance (but not any Portion) in the manner, at the price, and subject to the limitations specified in this paragraph 18 (each such election being a "Refinancing Election").

(b) Except under the circumstances described in subparagraph (d) of this paragraph 18, the Borrower shall deliver to FFB (with a copy to RUS) written notification of each Refinancing Election, in the form of notification attached to this Note as Annex D-1 (each such notification being a "Refinancing Election Notice"), making reference to the Advance Identifier that FFB assigned to the respective Advance (as provided in the Agreement) and specifying, among other things, the following:

(1) the particular date on which the Borrower intends to refinance the respective Advance (such date being the "Intended Refinancing Date" for the respective Advance), which date:

(A) must be a Payment Date; and

(B) for any Advance for which the Borrower has selected a prepayment/refinancing privilege that includes a 5-year No-Call Period, may not be a date that will occur before the applicable First Call Date;

(2) the amount of the outstanding principal of the respective Advance that the Borrower elects to refinance (subject to the clause (1) of subparagraph (e) of this paragraph 18); and

(3) the Maturity Date that the Borrower selects to be in effect for such principal amount after such refinancing, which date may be:

(A) the Maturity Date that is in effect for such Advance immediately before such refinancing; or

(B) a new Maturity Date that the Borrower selects in connection with such Refinancing Election, provided

that such new Maturity Date meets the criteria for Maturity Dates prescribed in paragraph 5 of this Note (provided, however, that for purposes of selecting a new Maturity Date in connection with a Refinancing Election, the reference to "the Requested Advance Date for the respective Advance" in subparagraph (c) of paragraph 5 of this Note shall be deemed to be a reference to "the respective Refinancing Effective Date").

(c) To be effective, a Refinancing Election Notice must be received by FFB on or before the fifth Business Day before the date specified therein as the Intended Refinancing Date.

(d) In the event that either of the circumstances described in clause (1) or (2) of the next sentence shall have occurred, then a Refinancing Election Notice (in the form of notice attached to this Note as Annex D-2), to be effective, must first be delivered to RUS for approval and be approved by RUS in writing, and such Refinancing Election Notice, together with written notification of RUS's approval thereof, must be received by FFB on or before the fifth Business Day before the date specified therein to be the Intended Refinancing Date. RUS approval of a Refinancing Election Notice will be required under either of the following circumstances:

(1) (A) payment of any amount owing under this Note is not made by the Borrower when and as due, (B) payment is made by RUS in accordance with the guarantee set forth at the end of this Note, and (C) RUS delivers notice to both the Borrower and FFB advising each of them that each Refinancing Election Notice delivered by the Borrower after the date of such notice shall require the approval of RUS; or

(2) FFB at any time delivers notice to both the Borrower and RUS advising each of them that each Refinancing Election Notice delivered by the Borrower after the date of such notice shall require the approval of RUS.

(e) The Borrower shall pay to FFB a price for the refinancing of any Advance (such price being the "Refinancing Price" for such Advance) equal to the sum of:

(1) the principal installment (if any) that is due on the particular Payment Date that the Borrower specified to be the Intended Refinancing Date, in accordance with the

principal repayment schedule that applied to such Advance immediately before such refinancing;

(2) all unpaid interest (and Late Charges, if any) accrued on such Advance through the Intended Refinancing Date; and

(3) the amount of the premium (if any) that is required under the particular prepayment/refinancing privilege that applies to such Advance.

In the event that (A) the prepayment/refinancing privilege that applies to the particular Advance being refinanced is the privilege described in subparagraph (b) of paragraph 16 of this Note, and (B) the Market Value Premium (or Discount) that is to be included in the Refinancing Price for such Advance is a discount on such Advance, then such discount shall be applied by FFB in the manner requested by the Borrower in a written notice delivered by the Borrower to FFB and approved by RUS in writing.

(f) Payment of the Refinancing Price for any Advance shall be due to FFB before 3:00 p.m. (Washington, D.C., time) on the Intended Refinancing Date for such Advance.

(g) In the event that a Refinancing Election Notice (and, if required under subparagraph (d) of this paragraph 18, written notification of RUS's approval thereof) is received by FFB on or before the fifth Business Day before the Intended Refinancing Date specified therein, then the refinancing of the respective Advance shall become effective on such Intended Refinancing Date (in such event, the Intended Refinancing Date being the "Refinancing Effective Date"). In the event that a Refinancing Election Notice (and, if required under subparagraph (d) of this paragraph 18, written notification of RUS's approval thereof) is received by FFB after the fifth Business Day before the Intended Refinancing Date specified therein, then the refinancing of the respective Advance shall become effective on the fifth Business Day to occur after the day on which such Refinancing Election Notice (and, if required under subparagraph (d) of this paragraph 18, written notification of RUS's approval thereof) is received by FFB (in such event, the fifth Business Day to occur after the day on which such Refinancing Election Approval Notice (and, if required under subparagraph (d) of this paragraph 18, written notification of RUS's approval thereof) is received by FFB being the "Refinancing Effective Date"), provided that the Borrower shall have paid to FFB, in addition to the Refinancing Price required under subparagraph (e) of this paragraph 18, the

interest accrued from the Intended Refinancing Date through such Refinancing Effective Date.

(h) In the event that the Borrower makes a Refinancing Election with respect to any Advance, the basic interest rate for such Advance, from and after the respective Refinancing Effective Date, shall be the particular rate that is established by FFB, as of such Refinancing Effective Date, in accordance with the principles of subparagraph (c) of paragraph 6 of this Note.

(i) In the event that (1) the Borrower makes a Refinancing Election with respect to any Advance, and (2) the Borrower selects as the Maturity Date for such refinanced Advance either (A) the Maturity Date that is in effect for such Advance immediately before such refinancing, and such Maturity Date will occur before the fifth anniversary of the respective Refinancing Effective Date, or (B) a new Maturity Date that will occur before the fifth anniversary of the respective Refinancing Effective Date, then the prepayment/refinancing privilege described in subparagraph (b) of paragraph 16 of this Note shall apply automatically to such Advance.

(j) In the event that (1) the Borrower makes a Refinancing Election with respect to any Advance, and (2) the Borrower selects as the Maturity Date for such refinanced Advance either (A) the Maturity Date that is in effect for such Advance immediately before such refinancing, and such Maturity Date will occur on or after the fifth anniversary of the respective Refinancing Effective Date, or (B) a new Maturity Date that will occur on or after the fifth anniversary of the respective Refinancing Effective Date, then the Borrower must elect a prepayment/refinancing privilege for such refinanced Advance from between the options described in subparagraphs (b) and (c) of paragraph 16 of this Note (provided, however, that each of the references to "the Requested Advance Date for such Advance" in subparagraph (c) of paragraph 16 of this Note shall be deemed to be a reference to "the respective Refinancing Effective Date"). The Refinancing Election Notice delivered by the Borrower in connection with each such Refinancing Election must also specify the particular prepayment/refinancing privilege that the Borrower elects for the respective refinanced Advance. In the event that the Borrower elects for any such refinanced Advance a prepayment/refinancing privilege described in subparagraph (c) of paragraph 16 of this Note, then the interest rate for such refinanced Advance, from and after the respective Refinancing Effective Date, shall include a price (expressed in terms of a basis point increment to the applicable basic interest rate) for the particular prepayment/refinancing privilege that the Borrower

elects, which increment shall be established by FFB, as of such Refinancing Effective Date, in accordance with the principles of subparagraph (d) of paragraph 6 of this Note.

(k) In the event that the Borrower makes a Refinancing Election with respect to any Amortizing Advance, then the outstanding principal amount of such Amortizing Advance, after the respective Refinancing Effective Date, shall be due and payable in accordance with this subparagraph (k).

(1) With respect to each Amortizing Advance to which either the "equal principal installments" method or the "graduated principal installments" method for the repayment of principal applies, the amount of the quarterly principal installments that will be due after the respective Refinancing Effective Date shall be equal to the amount of the quarterly installments of equal principal or graduated principal, as the case may be, that were due in accordance with the principal repayment schedule that applied to such Amortizing Advance immediately before the respective Refinancing Effective Date.

(2) With respect to each Amortizing Advance to which the "level debt service" method for the repayment of principal applies, the amount of the level quarterly payments consisting of a principal installment and accrued interest that will be due after the respective Refinancing Effective Date shall be newly computed so that the amount of each such quarterly payment consisting of a principal installment and accrued interest (taking into account the new interest rate that applies to such Amortizing Advance from and after such Refinancing Effective Date) shall be substantially equal to the amount of every other quarterly payment consisting of a principal installment and accrued interest, and shall be sufficient, when added to all other such newly-computed level quarterly payments consisting of a principal installment and accrued interest, to repay the outstanding principal amount of such refinanced Amortizing Advance in full on the Final Maturity Date (notwithstanding the fact that the Borrower may have selected a Maturity Date for such refinanced Amortizing Advance that will occur before the Final Maturity Date).

(3) The quarterly installments of equal principal or graduated principal, or the newly-computed level quarterly payments consisting of a principal installment and accrued interest, as the case may be, shall be due beginning on the first Payment Date to occur after the respective Refinancing

Effective Date, and shall be due on each Payment Date to occur thereafter up through and including the earlier to occur of (A) the new Maturity Date that the Borrower selected for such refinanced Amortizing Advance, on which date the entire unpaid principal amount of such refinanced Amortizing Advance shall also be payable, subject to Maturity Extensions (as provided in paragraph 15 of this Note) if the new Maturity Date is an Interim Maturity Date, or (B) the date on which the entire principal amount of such refinanced Amortizing Advance, and all unpaid interest (and Late Charges, if any) accrued thereon, are paid.

(I) The Borrower may make more than one Refinancing Election with respect to any Advance.

19. Rescission of Prepayment Elections and Refinancing Elections; Late Charges for Late Payments.

(a) The Borrower may rescind any Prepayment Election made in accordance with paragraph 17 of this Note or any Refinancing Election made in accordance with paragraph 18 of this Note, but only in accordance with this paragraph 19.

(b) The Borrower shall deliver to both FFB and RUS written notification of each rescission of a Prepayment Election or a Refinancing Election (each such notification being an "Election Rescission Notice") specifying the particular Advance for which the Borrower wishes to rescind such Prepayment Election or Refinancing Election, as the case may be, which specification must make reference to both:

(1) the particular Advance Identifier that FFB assigned to such Advance (as provided in the Agreement); and

(2) the RUS account number for such Advance.

The Election Rescission Notice may be delivered by facsimile transmission to FFB at (202) 622-0707 and to RUS at (202) 720-1401, or at such other facsimile number or numbers as either FFB or RUS may from time to time communicate to the Borrower.

(c) To be effective, an Election Rescission Notice must be received by both FFB and RUS not later than 3:30 p.m. (Washington, D.C., time) on the second Business Day before the Intended Prepayment Date or the Intended Refinancing Date, as the case may be.

(d) In the event that the Borrower (1) makes a Prepayment Election in accordance with paragraph 17 of this Note or a Refinancing Election in accordance with paragraph 18 of this Note, (2) does not rescind such Prepayment Election or Refinancing Election, as the case may be, in accordance with this paragraph 19, and (3) does not, before 3:00 p.m. (Washington, D.C., time) on the Intended Prepayment Date or Intended Refinancing Date, as the case may be, pay to FFB the Prepayment Price described in subparagraph (e) of paragraph 17 of this Note or Refinancing Price described in subparagraph (e) of paragraph 18 of this Note, as the case may be, then a Late Charge shall accrue on any such unpaid amount from the Intended Prepayment Date or Intended Refinancing Date, as the case may be, to the date on which payment is made, computed in accordance with the principles of paragraph 11 of this Note.

20. Amendments to Note.

To the extent not inconsistent with applicable law, this Note, for so long as FFB or its agent is the holder thereof, shall be subject to modification by such amendments, extensions, and renewals as may be agreed upon from time to time by FFB and the Borrower, with the approval of RUS.

21. Certain Waivers.

The Borrower hereby waives any requirement for presentment, protest, or other demand or notice with respect to this Note.

22. Note Effective Until Paid.

This Note shall continue in full force and effect until all principal outstanding hereunder, all interest accrued hereunder, all premiums (if any) payable under paragraphs 17 and 18 of this Note, all Late Charges (if any) payable under paragraphs 11 and 19 of this Note, and all fees (if any) payable under paragraph 9 of this Note have been paid in full.

23. RUS Guarantee of Note.

Upon execution of the guarantee set forth at the end of this Note (the "Guarantee"), the payment by the Borrower of all amounts due and payable under this Note, when and as due, shall be guaranteed by the United States of America, acting through RUS, pursuant to the Rural Electrification Act of 1936, as amended (codified at 7 U.S.C. § 901 et seq.). In consideration of the Guarantee, the Borrower promises to RUS to make all payments due under this Note when and as due.

24. Security Instrument; RUS as "Holder" of Note for Purposes of the Security Instrument.

This Note is one of several notes permitted to be executed and delivered by, and is entitled to the benefits and security of, the particular security instrument or instruments specified on page 1 of this Note (such security instrument or instruments, as it or they may have heretofore been, and as it or they may hereafter be, amended, supplemented, restated, or consolidated from time to time in accordance with its or their terms, being, collectively, the "Security Instrument"), whereby the Borrower pledged and granted a security interest in certain property of the Borrower, described therein, to secure the payment of and performance of certain obligations owed to REA, predecessor to RUS, or to RUS, as the case may be, as set forth in the Security Instrument. For purposes of the Security Instrument, RUS shall be considered to be, and shall have the rights, powers, privileges, and remedies of, the holder of this Note.

25. Guarantee Payments; Reimbursement.

If RUS makes any payment, pursuant to the Guarantee, of any amount due and payable under this Note, when and as due, each and every such payment so made shall be deemed to be a payment hereunder; provided, however, that no payment by RUS pursuant to the Guarantee shall be considered a payment for purposes of determining the existence of a failure by the Borrower to perform its obligation to RUS to make all payments under this Note when and as due. RUS shall have any rights by way of subrogation, agreement or otherwise which arise as a result of such payment pursuant to the Guarantee and as provided in the reimbursement note executed and delivered by the Borrower to the United States of America, acting through RUS, to evidence the Borrower's obligation to reimburse RUS for payment made by RUS pursuant to the Guarantee.

26. Default and Enforcement.

In case of a default by the Borrower under this Note or a the occurrence of an event of default under the Security Instrument, then, in consideration of the obligation of RUS under the Guarantee, in that event, to make payments to FFB as provided in this Note, RUS, in its own name, shall have all rights, powers, privileges, and remedies of the holder of this Note, in accordance with the terms of this Note and the Security Instrument, including, without limitation, the right to enforce or collect all or any part of the obligation of the Borrower under this Note or arising as a result of the Guarantee, to file

proofs of claim or any other document in any bankruptcy, insolvency, or other judicial proceeding, and to vote such proofs of claim.

27. Acceleration.

The entire unpaid principal amount of this Note, and all interest thereon, may be declared, and upon such declaration shall become, due and payable to RUS, under the circumstances described, and in the manner and with the effect provided, in the Security Instrument.

IN WITNESS WHEREOF, the Borrower has caused this Note to be signed in its corporate name and its corporate seal to be hereunder affixed and attested by its officers thereunto duly authorized, all as of the day and year first above written.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter set forth, and other good and valuable consideration, the parties hereto agree and bind themselves as follows:

SECTION I. Notes.

- (a) Each note evidencing the FFB S8 Loan (the "FFB Note(s)") shall be payable in accordance with its terms and shall bear interest, be amortized and shall mature in accordance with its terms stated therein.
- (b) The RUS reimbursement note evidencing the reimbursement obligation of the Borrower to RUS (the "RUS Reimbursement Note(s)") shall be payable in accordance with its terms (the FFB Note(s) and the RUS Reimbursement Note(s), collectively called the "Notes").

SECTION II. General Conditions of Advance.

The obligation of RUS to approve the making of an advance for all or any portion of the FFB S8 Loan hereunder is subject to the satisfaction of each of the following on or before the date of any advance, including the provisions, stated in the Loan Contract, as applicable:

- (a) The RUS has entered into a contract of guarantee with the Borrower, and the FFB has agreed, with RUS approval, to make the FFB S8 Loan to the Borrower to finance the system additions and extensions identified on RUS Form 740(c).
- (b) The Borrower has submitted evidence, in form and substance satisfactory to the Administrator, that the conditions in the contract of guarantee have been satisfied to the extent and manner prescribed by the Administrator.
- (c) The Borrower has submitted evidence, in form and substance satisfactory to the Administrator, that the Borrower, if required by the Administrator, has duly authorized, executed, delivered, recorded, and filed a mortgage or other security instrument, which is in form and substance satisfactory to the Administrator.
- (d) The Borrower has submitted evidence, in form and substance satisfactory to the Administrator, that the Borrower has duly authorized, executed, and delivered this Amendment, the FFB Note(s) and the RUS Reimbursement Note(s), all in the manner prescribed by the Administrator, including returning the Notes not later than 90 days from the date of the certain Designation Notice from the Administrator and jointly addressed to FFB and the Borrower.
- (e) Funds will only be advanced pursuant to this Amendment and the FFB Note(s) on or before the Last Date for an Advance, as specified in the FFB Note(s). No funds will be advanced subsequent to the Last Date for an Advance unless prior to such date the Administrator has extended this date by written agreement. However, under no circumstances shall RUS ever make or approve an advance, regardless of the Last Date for an Advance or any extension by the Administrator, later than September 30 of the fifth year after the Fiscal Year of Obligation as identified in Schedule 1 if such date would result in RUS obligating or permitting advances of funds contrary to the Antideficiency Act 31 U.S.C. §1341.

SECTION III. Special Conditions of Advance.

The obligation of RUS to approve the making of an advance for all or any portion of the FFB S8 Loan hereunder is subject to satisfaction of each of the special conditions of advance, specified on Schedule 1, attached hereto and made a part hereof.

SECTION IV. Use of Proceeds.

- (a) The Borrower shall use the proceeds of the FFB S8 Loan as specifically described in the RUS Form 740(c), dated December 14, 2011, attached hereto and made a part hereof. Written approval from RUS must be obtained prior to the use of any loan proceeds for any system extensions and additions that are not specifically identified on RUS Form 740(c).
- (b) Proceeds are eligible for advance only after all general conditions and special conditions, if any, have been met and the advance request documentation has been submitted to RUS and approved by RUS, in the manner prescribed by the Administrator.

SECTION V. Loan Contract Confirmed.

This Amendment is executed and shall be construed as a contract amendment and is supplemental to the Loan Contract, and shall form a part thereof, and the Loan Contract, as hereby supplemented, modified, and amended, is hereby confirmed. Except to the extent inconsistent with the express terms of this Amendment and the Notes, all of the provisions, terms, covenants, and conditions of the Loan Contract shall be applicable to the Notes to the same extent as if specifically set forth herein. All capitalized terms used in this Amendment shall have meanings ascribed to them in the Loan Contract, except in cases where the context clearly indicates otherwise.

3. Miscellaneous Minor Capital Expenses (RUS 740c Nos. 1200.10, 1200.11 and 1200.12) are not eligible for RUS financing or a lien accommodation since a specific description of these projects was not provided to allow the RUS engineering and environmental staffs to make a determination.
3. The estimated cost of this project was incorrectly listed in AEPCO's loan application as \$886,000. The actual estimated cost of the project as indicated in the CWP is \$871,000.
4. The total loan amount approved has been rounded to the nearest \$1,000 by adding \$300 to the cost of the ST2/3 Crane Beam Sealing project (RUS 740c No. 1200.142).
