RE: CERBAT WATER COMPANY - APPLICATION FOR A RATE INCREASE
DOCKET NO. W-02391A-13-0234

LETTER OF DEFICIENCY

Dear Ms. Monzillo,

In reference to your rate application received on July 2, 2013, this letter is to inform you that your application has not met the sufficiency requirements as outlined in Arizona Administrative Code R14-2-103.

Staff found that the bill count for the test year does not support the test year revenue shown in the application. The 30-day sufficiency determination period will begin anew when the company corrects the deficiencies and Docket Control receives an original and fifteen copies of the corrected pages.

You have fifteen calendar days, or until August 15, 2013, to correct the deficiencies or make other arrangements with Staff to remedy your rate application. If the corrections or other arrangements are not made by the above date, Staff will request your docket number be administratively closed. Docket Control will retain one copy of the original application for Commission records. You may file an original and fifteen copies of an updated application at a later date.

The Staff person assigned to your application is Christine Payne. She can be reached at (602) 542-0148, or toll free at (800) 222-7000, if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Armstrong', written over a horizontal line.
