To whom it may concern:

We receive our electricity through APS. Our account number is to opt out of the Smart Meter installation for our property.

This letter is to express our choice

We feel that it is an invasion of our privacy and we do not want this meter attached on our property. We also feel that the threat to charge us extra money for opting out of this program is also unconstitutional.

We just wanted to document the fact that we do not want this Smart Meter.
