To: colin@workwithiws.com; Pierce-Web; Burns-Web; Stump-Web; BitterSmith-Web; RBurns-Web; cfraulob@azruco.gov; pquinn@azruco.gov

First Name: Howard
Last Name: Olson

Message: Arizona should not support deregulation efforts which may increase power bills for average consumers and small business owners. Arizona's current system is reliable, competitive, and keeps prices stable. Your rates are already higher than any other state. It is a factor which causes families a financial burden already.
